Office Asst. Com. Musters
New Orleans Sept 23. 1865

To the

Adjutant-

11th U.S.A. (H.)

Lieutenant

I have the honor to enclose herewith
copy of Mem. No 444 from the office of the Paymaster General of the Army
in regard to the Bounties payable to colored troops

It will be seen that it is required that the men shall be
mustered as "Free" ^{in or before} April 19 1861 this may be done by the company command
and making a certificate on the rolls as follows "I certify on honor
that each of the enlisted men whose names are herein on this roll were
free on or before April 19 1861." Signing the certificate officially

In case there are some men in the company who were not free at
that date they should be excepted by name in the certificate

In the case of men who enlisted under the President's call of
Oct. 17 1865 and who at the time of enlistment were "enrolled and subject
to draft in the State" the bounty as provided under that call is due whether
free or not.

My opinion is that persons coming under Par. 5 of the enclosed
Mem. who as in the case of men in your regt. and mustered out by reason
of their services being no longer required, are entitled to the bounty
whether they have served two years or not

The following remarks should be placed upon the rolls. Mustered out
in compliance with Par. 7 Special Orders No 5-6 C.S. Hd Qrs. Dept of La
the services of the regiment being no longer required

All men ~~who have a~~ ^{whose} term of service has
expired forfeit their bounty the word "None" will be in the column of
"Bounty" due and opposite the name of every such man

Very Respectfully Yours &c &c

(Signed) A. M. Allister

Capt 10th U.S.A. (H.)

P.S. In order that substitutes may obtain the bounty provided in the Act of July 22 1861 it
must appear on the muster rolls that he is a substitute for a man drafted under the provision
of Act approved March 3 1865
