Baby with the Bathwater

By Christopher Durang

Directed by Brandon Ferretti '09

February 20th & 21st at 8 PM

February 22nd at 2 PM

John Bowab Studio Theatre, Smith Center for the Arts

Providence College's Department of Theatre, Dance and Film presents a student-directed project, **Baby with the Bathwater**, written by Christopher Durang and directed by senior theatre major Brandon Ferretti. Durang's dark but wacky comedy explores the difficulties of raising children. Good-humored satire and straight-out farce combine to produce a play that leads us laughing through two generations of children and adults, none of whom has a clue as to how to survive infancy, let alone adult life. Student-directed productions sponsored by the Department of Theatre, Dance and Film are selected, cast, directed and designed by students, offering an opportunity for involvement in all aspects of theatre production.

Baby with the Bathwater will be presented in the Bowab Studio Theatre in the Smith Center for the Arts. All seats are \$5 and are general admission. The Box Office is located at the main entrance of the Smith Center and is currently open for ticket sales. Hours are Monday through Friday, 1:30 to 5:00 p.m., and 1 hour prior to performances. For ticket sales, or for more information concerning the Department of Theatre, Dance and Film season, please call 401-865-2218, or visit our website at www.providence.edu/theatre.
