200 Bald Hill Road  
Warwick, RI 02886

Dear Mr. Meyers:

Thank you very much for generously offering the use of your desk set for the Providence College Theatre Arts Department Blackfriars Theatre production of Summer and Smoke. I have authorized P.C. student James M. Sullivan to receive the set. The Providence College Theatre Arts Department will assume complete responsibility for the proper care of the set. The desk blotter and pen holder will be returned to you by Tuesday, November 1, 1988.

In return for your kindness, it is our privilege to publish an ad for your company, T. W. Rounds, in the Blackfriars Theatre's next playbill (November 18-19, 1988). Copies of that playbill will be forwarded to you.

Thank you for your kind assistance and for your interest in the Blackfriars Theatre.

Sincerely,

(Rev.) Peter J. Cameron, O.P.
