 - Junior Nights
 - Policy Changes
 - 2012 Snow Ball

2009

- 109 Nights were a huge success!
- We want to thank those that helped to organize and plan the event which includes volunteers from younger classes. We also would to thank our classmates for an outstanding turnout.
- Our focus for the rest of the semester will be geared towards passing legislation that will impact the school's future while planning other upcoming events as we ap-

proach Commencement. Some of these events include Senior Nights in the months of March and April, and one of the best "Done with College" BBQ's that PC has ever hosted.

If anyone has any concerns feel free to contact your class officials. We hope that everyone is enjoying what should be a memorable and fun final semester.

To the Providence College Community,

I hope you are having a great semester! It's hard to believe that spring break is around the corner! We have been working hard on Student Congress to take on initiatives that would be of concern to you, but we can't do it without you. Our Congress Connect is one way for Congress to reach out to the student body to let you know what is happening on Congress, and to hopefully get some feedback about issues that you care about. We want to you to see Congress members as people, who are a resource and connection for student voice. As you will see in this issue, there are messages from your class officers and committee chairs, who are working on issues, such as the club process reorganization, PC going green, and the recently passed legislation on creating a committee to review the Student Handbook. Now, more than ever, we need student conversation and unity at PC. If you have any questions or concerns, please do not hesitate to contact me at ewolf@providence.edu. Go Friars!

Liz Wolf '09
President, Student Congress

2010

The Class of 2010 has been working diligently since the return from break. We are proud to announce that our Legislation on Policy and Procedure was passed unanimously by Student Congress! This Legislation is a proposal to form a committee that will annually review our Student Handbook policies and make changes if necessary. Nothing has been made final and the committee has not yet been established, however, it is an attempt at having Student input in changes that directly affect us!

ALSO, OUR JUNIOR NIGHTS HAVE BEEN BOOKED! Mark your calendars for Saturday, March 28 and Saturday, April 25th!

2011

The Sophomore Ball took place on February 6, 2009 from 8:00 pm until 12:00 am in Peterson Recreational Center. The Class of 2011 had a tremendous turnout of approximately 600 students in attendance! Overall, it was an extremely successful event where the Sophomores were able to

join together as a unified class and partake in a wonderful evening of upbeat dancing, delicious appetizers, and simply enjoying each other's company. The 2011 Class Officers is very appreciative of the strong support shown and is anticipating the exciting future of the Sophomore Class.

2012

The Class of 2012 has recently started selling tickets for our Freshman Snowball Dance, which will be held on February 27th. Tickets are available for sale Monday through Friday 11:30am-1:30pm in the SAIL office and 5:30pm-7:30pm in Lower Slavin.

Currently, we are in the process of proposing legislation advocating for soap in all student dorms. Additionally, we have been working with Major Leyden to both ensure and improve off-campus safety. We are always soliciting new ideas and suggestions for improvements and success from the Class of 2012.

Check it out!

February 21 "A Night of Comedy with Joel McHale" Brought to you by BOP and the Alumni Association. 8:00 pm in Alumni Hall. Joel McHale is well-known for his presence on Entertainments, "The Soup" Stop by the BOP office, and pick up your ticket! Tickets are \$10/student
