109 Nights were a huge success! We want to thank those that helped organize and plan the event which includes volunteers from younger classes. We also would to thank our classmates for an outstanding turnout. Our focus for the rest of the semester will be geared towards passing legislation that will impact the school's future while planning other upcoming events as we approach Commencement. Some of these events include Senior Nights in the months of March and April, and one of the best "Done with College" BBQ's that PC has ever hosted.

If anyone has any concerns feel free to contact your class officials. We hope that everyone is enjoying what should be a memorable and fun final semester.

The Class of 2010 has been working diligently since the return from break. We are proud to announce that our Legislation on Policy and Procedure was passed unanimously by Student Congress! This Legislation is a proposal to form a committee that will annually review our Student Handbook policies and make changes if necessary. Nothing has been made final and the committee has not yet been established, however, it is an attempt at having Student input in changes that directly effect us!

ALSO, OUR JUNIOR NIGHTS HAVE BEEN BOOKED! Mark your calendars for Saturday, March 28 and Saturday, April 25th!
The Sophomore Ball took place on February 6, 2009 from 8:00 pm until 12:00 am in Peterson Recreational Center. The Class of 2011 had a tremendous turnout of approximately 600 students in attendance! Overall, it was an extremely successful event where the Sophomores were able to join together as a unified class and partake in a wonderful evening of upbeat dancing, delicious appetizers, and simply enjoying each other’s company. The 2011 Class Officers is very appreciative of the strong support shown and is anticipating the exciting future of the Sophomore Class.
