- Also, planning is still underway for the "Done with College" BBQ, which we are all very excited about. Finally, don't forget to mark

your calanders for three more senior nights as our senior year approaches an end. They are scheduled for March 20th (Spring Break – Part Two), April 17th, and May 1st. We hope to make the last six weeks the best for our senior class!

2010

In light of the new alcohol policy, the class of 2010 has put forth legislation on policy and procedure. We are still waiting for approval from Chris Fortunato and Father Murphy but we believe that this legislation will grant students a voice for changes pertaining to the culture and nature of our school in our forthcoming years. Other issues that our class has been addressing include communal swipe in to apartment style complexes, time adjustments during breaks and finals, and extended hours at PC's café, Jazzman's.

Our first Junior Night is *March 28th* in McPhails. We are still determining the theme, so stay tuned!

2011

- Our most recent legislation is directed at the Class of 2011's initiative to use PC ID cards in a debit system at off-campus stores. The two-fold proposal aims to both enhance options for students, and foster relationships with our local businesses. We are also working with the Class of 2009 to pass legislation on

forming a student advisory board that will aid students in understanding the judicial process.

The Done With Civ BBQ will be on May 1st, our last day of classes. Please submit any designs for the "Done With Civ" T-shirt to Patricia Carroll's mailbox by Friday March 27th in the Congress Office.

2012

The Freshman class is proud to announce a very successful Freshman Snowball! The event was held on Friday, February 27th at the Quidnessett Country Club. Thanks to all who attended and everyone who helped with the event! We are also currently working on passing legislation regarding soap in all of the dorms.

As always, student input is welcome. Your class officers would love to hear from freshmen about any issues or feedback as we approach the end of our first year.
