If not cast, would you be interested in working on in another capacity? YES NO

“Talk Radio” makes use of pre-recorded radio commercials. These will be recorded separately from rehearsals, and should take no more than one or two days to record. If you are not cast, would you be willing to lend your voice to a pre-recorded segment?

NOTE:

- From November 17th until winter break, rehearsals will be 7:00–10:00 PM on Tuesdays and Thursdays. Starting January 19, 2010, rehearsals will be conducted Monday through Friday from 7:00 PM-10:00pm. Actors only attend rehearsals when they are called to work a scene. Calls are announced daily.
- Please note on the rehearsal schedule that Tech Week rehearsals will start on February 7th and continue through to opening night. Hours may range from 5:00 PM to 11:30 PM during dress rehearsal week. All actors will be called during this week.
- Please check the dates listed above. If you have any major conflicts with these dates and times, please list them below and consult either the director or the stage manager.

On the back of this sheet, please list no more than five acting roles that you consider to be your most significant work. Please include where and when you performed this role. If you have never been in a play before, just list any acting classes or performing experience that you have.

Also on the back of this sheet, separate from your five acting roles, please list any musical training (specifically voice) or experience that you have had.

Now have fun!
