Sir Thomas More is **A man** of an angel's wit and singular learning; I know not his fellow. For where is the man of that gentleness, lowliness and affability? And as time requireth a man of marvellous mirth and pastimes; and sometimes of as sad gravity: a man for all seasons. Sir Thomas More is a man of an angel's wit and singular learning; I know not his fellow. For where is the man of that gentleness, lowliness and affability? And as time requireth a man of marvellous

mirth and pastimes; and sometimes of as sad gravity: a man **for** all seasons. Sir Thomas More is a man of an angel's wit and singular learning; I know not his fellow.
