AMADEUS

BY PETER SHAFFER

Salieri, an established yet second-rate composer in the eighteenth century has given himself to God in hopes of achieving greatness. But when the musical genius Mozart arrives at the Austrian court with both his brilliance and his bathroom humor, Salieri sets out to destroy the upstart who has fouled his dreams. A play with music that tells of politics, ambition, envy, and destruction, filled with "...complexity of thought, emotion and dramatic power". - The New York Post

Directed by
John Garrity
October 27-29 &
November 3-5
Fridays & Saturdays at 8 PM
Sundays at 2 PM
Angell Blackfriars Theatre
Providence College
