## **Talk Radio**

By Eric Bogosian

Directed by Peter Cunis '10

February 12 and 13 at 8 PM; February 14 at 2 PM

Bowab Studio Theatre, Smith Center for the Arts

Providence College's Department of Theatre, Dance and Film presents a student-directed project, **Talk Radio**, written by Eric Bogosian and directed by senior theatre major Peter Cunis. Student-directed productions sponsored by the Department of Theatre, Dance and Film are selected, cast, directed and designed by students, offering an opportunity for involvement in all aspects of theatre production. Set design for this production will be by Sarah Randles '10, costume design by Kai Macdonough '10, and light and sound design by Paul Perry '10.

Even twenty years after its off-Broadway premier at the Public Theatre, **Talk Radio** remains fresh and relevant, with concepts that are with us today. Set in the confines of a broadcast studio, an abrasive talk-show host challenges his callers in aggressive banter just before his local show is about to go into national syndication, bringing him into the mainstream media and attention. The play and its actors received several awards during its Broadway run and **Talk Radio** was nominated for a Pulitzer Prize.

**Talk Radio** will be presented in the Bowab Studio Theatre in the Smith Center for the Arts. All seats are \$5 and are general admission. Tickets are available online through the department website at [www.providence.edu/theatre](http://www.providence.edu/theatre) or at the Box Office located at the main entrance of the Smith Center. Box Office hours are Monday through Friday, 1:30 to 5:00 p.m., and 1 hour prior to performances.
