PRESENTS

FEBRUARY 6-8 AND 13-15, 1986

AT

8:00 p.m. FRIDAY AND SATURDAYS

AND

2:00 p.m. on SUNDAY

BY HENRIK IBSEN

The classic drama of a woman's struggle for personal freedom in a rigid society whose rules have made women into little more than house decorations. The play, written in 1879, was a harbinger of times to come. Today, *A Doll's House* has important ramifications and raises some disturbing questions in a world that is still grappling with the problems of human rights.
