## 2. We want full employment for our people.

We believe that the federal government is responsible and obligated to give every man employment or a guaranteed income. We believe that if the white American businessmen will not give full employment, then the means of production should be taken from the businessmen and placed in the community so that the people of the community can organize and employ all of its people and give a high standard of living.

BY THE WHITE MAN  
OF THE BLACK COMMUNITY

3. We want an end to the robbery by the **CAPITALIST** of our Black Community.

We believe that this racist government has robbed us and now we are demanding the overdue debt of forty acres and two mules. Forty acres and two mules was promised 100 years ago as restitution for slave labor and mass murder of black people. We will accept the payment in currency which will be distributed to our many communities. The Germans are now aiding the Jews in Israel for the genocide of the Jewish people. The Germans murdered six million Jews. The American racist has taken part in the slaughter of over fifty million black people; therefore, we feel that this is a modest demand that we make.

## CAPITALISM PLUS DOPE EQUALS GENOCIDE

By Michael "Getaway" Tabor (Political Prisoner, NY 21)  
BLACK PANTHER PARTY, U.S.A.

For the last 10 or 15 years the redevelopment agencies from every major city where there was a sizeable Black population and an urban "ghetto" area, have been engaged in a destructive project known as "Urban Renewal" or "Nigger Removal" as a few of the folks call it. Chicago, Detroit, New York, St. Louis and San Francisco are a few of the major metropolitan cities that have been involved in this fiasco. In the latter half of these four colored met-

of that capitalist turn known as Urban Renewal, and yet the same conditions upheld in the same places continue to exist throughout the breadth of America's urban colonies.

In San Francisco, WACO (the Western Addition Community Organization) and other such groups have been waging a battle against the local Redevelopment Agency over the issue of relocation. In some cases the people have been

In closing, Mrs. Rogers had these words: "The only way to cure the social ills today is to turn money into service. Poor money adequate enough for decent housing, food, clothing and medical care. The moral begins to control your attitude and to educate your mind to the fact that money cannot cure them social ills, and that the real question is social care" and there closed their today that she did a beautiful work day.

# INHUMAN HOUSING CONDITIONS IN JERSEY CITY, N.J.

"WE WANT DECENT HOUSING  
FIT FOR THE SHELTER OF HUMAN BEINGS"

About one and a half weeks ago a lady by the name of Mary Williams came to the office to complain about the living conditions and raising of rent in three apartment buildings owned by a racist

the children have no access to the backyard because Marshall has vicious German Shepherds running all around. The tenants can't even have a clothes line.

Further investigation showed that the lowest rent being paid was \$50 and the highest \$110. We say that these tenants conditions for rent that's worth \$20.

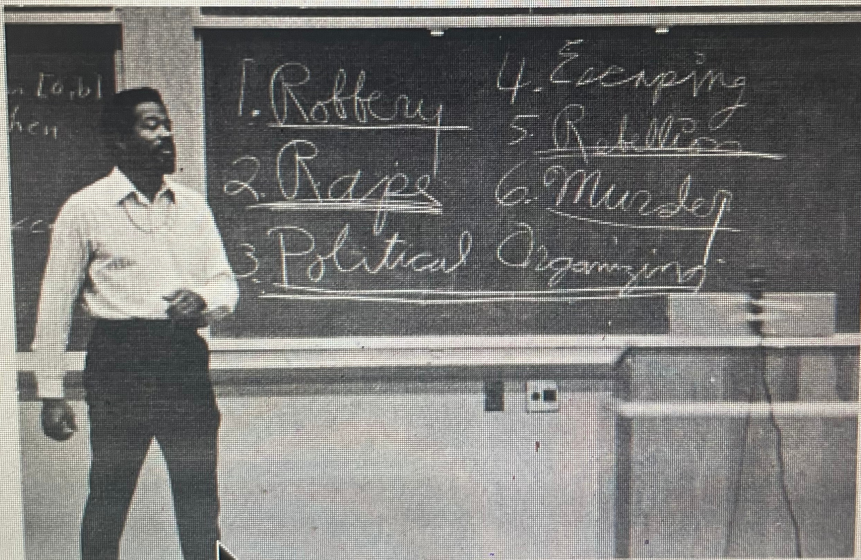

One of many bathrooms with rat holes under sinks. (Rats paradise).

5. We want education for our people that exposes the true nature of this decadent American society. We want education that teaches us our true history and our role in the present-day society.

We believe in an educational system that will give to our people a knowledge of self. If a man does not have knowledge of himself and his position in society and the world, then he has little chance to relate to anything else.

## Community Imperialism by Eldridge Cleaver

Minister of Information

4. We want decent housing, fit for shelter of human beings.

We believe that if the white landlords will not give decent housing to our black community, then the housing and the land should be made into cooperatives so that our community, with government aid, can build and make decent housing for its people.

## TODAY WE CONTROL RENT...TOMORROW POLICE, SCHOOLS, THE COMMUNITY !

PEOPLE OF BERKELEY, CALIFORNIA WIN BATTLE OVER LANDLORDS TO CONTROL RENTS.

All set to learn

6. We want all black men to be exempt from military service.

We believe that Black people should not be forced to fight in the military service to defend a racist government that does not protect us. We will not fight and kill other people of color in the world who, like black people, are being victimized by the white racist government of America. We will protect ourselves from the force and violence of the racist police and the racist military, by whatever means necessary.

7. We want an immediate end to **POLICE BRUTALITY** and **MURDER** of black people.

We believe we can end police brutality in our black community by organizing black self-defense groups that are dedicated to defending our black community from racist police oppression and brutality. The Second Amendment to the Constitution of the United States gives a right to bear arms. We therefore believe that all black people should arm themselves for self-defense.

"IT IS ONLY A MATTER OF TIME UNTIL THE QUESTION OF THE PRISONER'S DEBT TO SOCIETY VERSUS SOCIETY'S DEBT TO THE

PRISONER IS INJECTED FORCEFULLY INTO NATIONAL AND STATE POLITICS, INTO THE CIVIL AND HUMAN RIGHTS STRUGGLE, AND INTO THE CONSCIOUSNESS OF THE BODY POLITIC. IT IS AN EXPLOSIVE ISSUE WHICH GOES TO THE VERY ROOT OF AMERICA'S SYSTEM OF JUSTICE, THE STRUCTURE OF CRIMINAL LAW, THE PREVAILING BELIEFS AND ATTITUDES TOWARD A CONVICTED FELON." (SOUL ON ICE, P.59)

9. We want all black people when brought to trial to be tried in court by a jury of their peer group or people from their black communities, as defined by the Constitution of the United States.

We believe that the courts should follow the United States Constitution so that black people will receive fair trials. The 14th Amendment of the U.S. Constitution gives a man a right to be tried by his peer group. A peer is a person from a similar economic, social, religious, geographical, environmental, historical and racial background. To do this the court will be forced to select a jury from the black community from which the black defendant came. We have been, and are being tried by all-white juries that have no understanding of the "average reasoning man" of the black community.

10. We want land, bread, housing, education, clothing, justice and peace. And as our major political objective, a United Nations-supervised plebiscite to be held throughout the black colony in which only black colonial subjects will be allowed to participate, for the purpose of determining the will of black people as to their national destiny.

When, in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume, among the powers of the earth, the separate and equal station to which the laws of nature and nature's God entitle them; a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness. That, to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that, whenever any form of government becomes destructive of these ends, it is the right of the people to alter or to abolish it, and to institute a new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their safety and happiness. Prudence, indeed, will dictate that governments long established should not be changed for light and transient causes; and, accordingly, all experience hath shown, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But, when a long train of abuses and usurpations, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, it is their duty, to throw off such government, and to provide new guards for their future security.
