Re: Tickets

Date: 21 March 2000

This is a reminder to reserve your tickets for friends and family as soon as possible, before the Box Office opens to the general public on April 3rd. The sooner you reserve tickets, the better your chances are for getting great seats. Either stop by the Box Office (Monday thru Friday, 1-5 pm) or call x2218 to make your reservations. Remember that you each get two complimentary tickets.

Thanks,
Box Office
