An account of A journey from Ticonderoga to Canada.

Set out on Sabboth Day 23^d of July 1775 Went Board of A Boat about 1^o Clock in the afternoon and had Good Breeze Arivd to Crown point Half after three in the afternoon tarred their untill monday morning. 24th Joind with major John Brown of Pitsfield and Cp^t Robert Cochrun my Self John Legger Peter Sherlon A Canadaan Set Sail about ten in the Morning had Good Breeze about three hours Arivd to Bafon harbor their we took Refreshment Set Sail Again with Small Breeze and in About an houre and an half Broded the Sloop Enterprife tarred their about an houre and Set Sail again A Short time then took our ores had head wind Rowd About four miles and Put to Shore and took Refreshment Soon took our ores again and Rowd Against the

wind about four miles. Came to the North End of Split Rock their Boarded the Scooner Liberty half after five in the afternoon then Rowd About four miles to our Night Quarters at m^r Armitrongs tuesday 25th took to our ores Rowd A Spell then hoisted Sail with Small Breeze and Arivd to A Point Opefit four Brothers About Seven in the morning their we took Brakefast tarred their till Nine in the morning hoisted Sale and had Good Breeze Arivd to A Rock about 3 in the Afternoon and took Dinner took to our ores again and Rowd onwards their being no wind we Arivd to the North End of Cumberlin head at Sun Set and their we took Refreshment About Dark took to our ores and Rowd untill Day Light. 26th then Drawd our Boat up into the Bulhes About Six Rods and hid our Provisions and Rum in Defrent Places and Swung our Packs and took to the woods travild A N^w Corfe travild till ten in the morning and Came to A River and their took Brakefast took A nap till twelve then mounted Packs again travild till Sun Set then made A fire and took up Logings it Rained almost all Night 27th Mounted Packs About half after Six in the morning and travild until About Eleven and then it began to Rain and Rained as hard as Ever I Saw it about an houre we ware as wet as water Could make us then Mounted Packs Again and travild About one mile and Came to A River Crost it Kept our Corfe until half after four in the afternoon then Came to A foot Path Whare we Saw A horfe we mistrusted that inhabitants ware Nigh we took into A Swamp and built A fire and tarred all Night 28th half after five in the morning mounted Packs travild two Miles up and Down S^e Path and found it to be not travild by human Beeings much if Any then took A

North Corfe and Entred the Swamp again their we travild till twelve and Came to A River and Crost it with much troble and travild till half after 1 in the after noon their we made fire and Dind and tarred untill half after three in the after Noon then monted Packs Again travild till Night made A hut and tarred all Night it Raind almost all Night. hear we was much Put to it to Get water 29 mounted Packs again in S^d Swamp and travild till Night and tarred in S^d Swamp all Night 30th mounted Packs Sun half an houre high travild Swamps holes thick Brush till about two in the afternoon then Dugg A well and Drank theirot then travild about one houre and Dind and had Got through the Bulk of the Swamp and it Began to Rain mounted Packs again Sun an houre high travild till Dark and Came to the Rode that Ledes from S^t Johs to Montreal about 9 miles from S^t Johns it Raind hard Peter went to A house and found them to be frends and the man of the house invited us to Come in the house and we went according to his Desire their we Eat and Drankt and Slept and ware Refresh^d munday 31st we ware Conducted into A hin Roost and kept hid all Day Sent Peter to Shamblee to Call Cp^t minnar which accordingly Came at Night and Peter with him by Cp^t minnars advice we mounted Packs about Dark and travild all Night Came to A house in Shamblee where we ware Youfed with much Kindness and Respect. 1st August tarred all Day Kept our Room Privet Cp^t minnar and Peter Went to montreal mr Judd went to Cokenowago to See how the indians Stood Affected with the times mr Judd Returnd But Cp^t and Peter Ware taken and Confind. News Came to us Before Night that we Ware Discovered and we Determined to Leve the house at Dark and take

to the woods accordingly we did and ware Gone from the house About half an houre and the house was Sirownded With men in Sarch for us in Number About fifty it began to Rain A Little and took to a Nabouring Barn and Kept Sentrey all Night 2^d at Brake of Day Left the Barn and took to the Bush about fifty Rods and Kept hid all Day A frend from M^r Brentts broght Refreshment to us twife and at Dark we was Conducted by A french man to his own house Where we ware treeted With Victuals and Drink and tarred their A Short time and then they Set us Crost the River Sirell about four miles North of Shamblee fort and took to the woods and the Reason of our Crofing the River in Some measure was because that we ware informd by Cp^t minnars Brother that their was A Scout of about fifty or Sixty men that ware in Perfute after us and that they ware Gone Down the west Side of the Lake for that Reason we thought it most Safe to Come on the East Side of the Lake But to Keep on in my Journal on the Night of 2^d August Crost the River S^till with Cp^t minnars Brother which Agreed to meet us Next morning we Slept in the Bushes About twenty Rods from the Rode and in the morning of 3^d August we Sent John to meet minnar he been Gone A Short time their Came A Boy hunting Cattle and Came Nigh to us Cp^t Cochrun thinking it to bee John Cawlld to him which Put the Boy in A fright that he Run Very fast to the People and informd them what he had Seen and it Set the Whole Nabourhood in a Ruffule and Major Brown thinking it most Safe to Discover him Self went out Boldly and Spake with the People and as we Sepofd tarred with them for Some time Cp^t Cochrun and I thought that we Saw him Keeping with them not Long

after they all Drew off But him that we took to be Brown and one more Cp^t Cochran Said he Would fetch Brown all this while their were Some of them in Search for us as we Sepo^ld Cp^t Cochran Came Back But major and John were Absent Cp^t told me that we were in the utmost Danger and he would move Quarters accordingly we Did went about half mile further into the woods and I Kept the Packs and Cp^t went Back but he Could not find nothing of them and that all the People Seem^d to be in an uprore & Spreading the News Abroad So that Cp^t Agreed that major and John were Gone homewards and on that account we Agreed we would make the Best of our Way homeward. thirday half after Nine in the morning 3^d August 1775 Dispareing of Seeing major & John we mounted Packs Sixteen Miles North of S^t Johns at the North End of Shamlee Ile travild A South East Corse through fields about three miles Came to A River Against A house and went Down River A few Rods and Crost it by wadeing about mid thigh then travild all Day and found no water Dug Severall times to no Purpose at Night Slept in the Edge of A Large Swamp friday 4th mounted Packs Again travild till almost Noone and Came to A medow and found Water tho Very Poor Drink^d then mounted Packs travild Little ways and Came to A Brook then travild three or fore miles and Dugg for water but found none But Notwithstaning we Eat and mounted Packs again and Ammediately Entred A Large Swamp which Lasted about five Miles then had good traviling untill Night But no water But what we Dugg for Saterday 5th mounted Packs again travild till half after ten in the morning Crosing Several Streems Came to A Large River Runing S w for Some

miles before we Came to and after Crosing S^d River we had Bad traviling after Got out of the Swamp we Came to A Ridge of Land half after two in the afternoon Steerd our Corse the West Side of S^d Ridge till we Came to the Lake at 4^o in the afternoon Kept the Lake Shore till we Came to A Crick follow^d it up about two miles before we Could Crose it then Crost it and in Camp^d on the N E Shore Sabbath 6th mounted Packs and travild A South Corse till about Eleven in the morning Came to A River Call^d mesetique Crick travild Dow S^d Crick about three miles Came to m^r medcalfs Whare to our Great joy met with major and John and minnar the Canadaan they had been their about half an houre they informd us that they had [] travilin [] on their []
