Pishon Lake July 29 1866  
Friend Emerson

Yours of the 26<sup>th</sup> I received yesterday  
and cordially noted. We are very sorry  
to hear of the illness of Mrs C. and hope  
she will soon be all right. The begoniae are  
very good and growing. Emerson is the best I  
ever saw. " As I am so situated now  
that I cannot get away for a few days  
I thought I might as well write and say  
hello and myself. I wish as your wife never  
has been here (and perhaps you never have been  
here either) it might be pleasant for you all  
to come down here & see us. You could  
enjoy yourself in seeing the sights in the park & the  
mineral hot. As your wife never has been  
here. Of course she would enjoy herself  
we are keeping house at Mr H Lawrence Street  
which is on what they call the back bay  
a new made land and as good as at

You are just in Portland  
don't you think that you had better come  
down here when Mr C is better we can  
have a good time I think  
what do you say to it

I have just received the A & S report of 1865  
from R. S. which you would like to see  
I have not anything in the shape of news  
except Wentworth has been appointed Quartermaster  
in the Regular Army

My wife joins me in sending her regards to  
yourself & family and hopes to hear from you  
soon I am

Yours truly

Wm. Rogers
