14 Reasons to Get Employed With PC TDF

It's a shorter walk to Smith than you think

1. There are four different departments you could join! Scene shop, Costume shop, Production and Academic Offices!- Talk about variety!

2. Get first-hand knowledge about upcoming theatre, dance and film opportunities

3. Work with professional designers

4. Develop solid organizational and computer skills

5. Your "work day" includes painting, rigging and building

6. Help organize classes and curriculums

7. Use power tools!

8. Have a fun and open work atmosphere

9. You can run the front of the theater

10. Design posters and ads and make videos

11. Sell and manage tickets at real performances

12. You can get paid for the stuff you used to do in high school

13. Learn how to do more than just stich a hem

14. Explore the incredible costume collections hidden deep in the Smith Center

Federal Work Study (FWS) is a unique component available in the federal student aid program that affords students the opportunity to earn funds throughout the academic year to support some of their educationally related expenses.

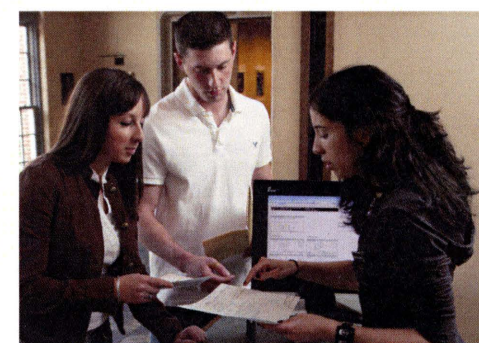

Information regarding the job search process is e-mailed to Freshman and Sophomore FWS recipient's and new transfers at the end of August.

New Freshman or Returning Students who wish to work during the academic year, but have not been awarded or are not eligible for FWS can do so through the Regular Student Payroll (RSP).

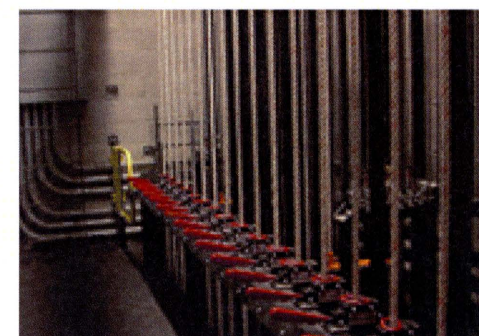

These jobs can also be searched and applied for in our online system beginning at the start of school.
