TREATIES WITH GREAT BRITAIN AND NORTHERN IRELAND

Grounded Flier Ready To Test Reconditioned Aeronca This Week-End

The Providence College Flying Club, announced since its inception last fall, takes up the air again this weekend.

Announced yesterday by the club's president, the new Cessna is now ready for flight. Last year, a new Cessna was purchased but after only a month and a half of flying it was lost in a storm. To prevent this, the club has made a recently-acquired, slightly used, Aeronca has been completed and will be ready for flight.

CAMERA CLUB MEETING

President Earl Parker has announced yesterday that this will be the last meeting of the club before the exhibits, Parker has asked all members to be present.

Debaters Take Part In Model Congress At State College

Henry J. Keenan, Jr., treasurer of the debating club and John Feeley, vice-president, committee chairman of the Model Congress, held at the Twelfth Model Congress to be held at State College Friday, April 1 and Saturday, April 2. The Congress of the Dominican Tertiaries will be held Sunday morning at the Plantations Auditorium, Whipple Hall.

The three priests who will conduct the retreat this year are members of the Eastern Mission Board and members of Providence College. Father Madden, a member of the class of 27, is from the Timestamp city. Father Sullivan, a member of the class of 29, is from the Providence's Latin, S. Vincent Ferrer's in New York City. Father Madden, a member of the class of 27, is from theTimestamp city.

The conference will be over by two-thirty each day. Every Catholic student is invited to attend the retreat and non-Catholic students are invited. The Chapel is available for any group which wishes to publish on the bulletin board.

Three P.C. Alumni Priests To Lead Annual Retreat

The annual three day retreat, which will be conducted this year by the Revs. James L. Mitchell, O.P., Walter S. Sullivan, O.P., and Eugene J. Madden, O.P., will begin next Monday, April 11, and continue through Wednesday. It will be held in the auditorium of Albertus Magnus Hall, the students' chapel in the main auditorium in Harkins Hall.

Treasurer Calls For Remaining Payment On Jr. Prom Bids

Mark Gerry, Junior Prom Treasurer, announced yesterday that all those who have made their initial deposits on Prom bids follow through with regular payments. The financing of the Junior Prom, which is to be held in the auditorium, is subject to the approval of the Providence Administration.

Catholic World Joins In Prayer On Day Of Holy Father's Fifteenth Anniversary

The Catholic World joins in prayer in honor of His Holiness, Pope Pius XII, on the occasion of his fifteenth anniversary of his ordination to the priesthood. Because of the gravity of the situation the Holy Father requested that there be no celebration in his honor but that Catholics throughout the world should remember him in their prayers. Providence College joined the Catholic world in prayers and best wishes for the Pope on his solemn day.

Tickets Go On Sale For "Room Service"

Tickets for the Pyramid Players' production of "Room Service," to be held April 29, 30 and May 1, will be placed on sale Friday, John A. Lan- cas, 76 production manager, announced yesterday. The tickets may be obtained in the Camera Club and at the best location in the Providence Auditorium.

COWL STAFF MEETING

An important meeting of the entire staff of the COWL will be held Friday at 1 p.m. in the office at Donnelly Hall, co-ordinated by Father Madden and Anthony Jaramboch announced yesterday that they asked that all members make a special effort to attend.
HE IS RISEN

With the words of the angel to Magdalene sounding in our ears we shall soon terminate the pontifical mass. As we celebrate the Passion of the Lord, we cast aside the purple shrouds of mourning to greet the Risen Christ on Easter Morn.

The hymn, "Gloria In Excelsis" of a celestial choir heralded the birth of man’s Re-deemer. Now, once again the Church prepares to celebrate a second glorious event—the Incarnation of the Crucified Savior. In the short time between Christmas and Easter, the condensed span of Christ’s thirty-three years flash before us.

The Resurrection of Christ is the climax of His youth portrays the boy Jesus discoursing with the fathers in the temple. After his hidden life during which he pursued the humble trade of carpenter, Jesus returned to public life to culminate His divine mission.

The aftertaste of the Messiah chose constitutes the most stirring tragedy and the greatest triumph all at once. Within the space of the Stations of the Cross without appreciating the magnitude of the sacrifice or the significance of the human holocaust on Calvary? The spectacle of that torn and bleeding figure nailed between two thieves might be incongruous to the outsider and the unbeliever. But enlightened by Faith, we can appreciate what the Passion accomplished for us.

As Catholic college students let us manifest our appreciation of the Redemption by retracing the tortuous road to Calvary to its glorious end. Our spiritual retreat during this last week of Holy Week is one of this week’s activities which are observed for the remainder of the Easter. Only then will we be able to share the true joy of Easter with the Risen Christ.

(With this reprint of an Easter editorial which he wrote for The Catholic Student in 1939, your associate editor bids his comrades a fond adieu.)

Ten Minute Break

BY J.V.S.

Familiar Crisis Just in case some of you are harboring the thought that there is nothing but sterile educational institutions that has difficulties peculiar to themselves, consider the following excerpts from student publications. It appears that particular problems are evident in very many institutions, in very many cases, in very many campuses.

After classes I spend a couple of nights in the library to get peace and quiet while I study. I’ve tried studying in the dormitory lounges and in the sleeping rooms, in the third floor hallway, and in the third floor hallway, and in the third floor hallway, but wherever I go someone is shouting somewhere about the halls or talking too loudly. “Let’s get a George Washington University Paper.” We of the Ivy Board (college yearbook) faced this year’s problem of what to do with student without help, without cooperation, without interest, without the support of the Trinity undergraduate body.”

Veterans Corner

By Anthony Jarsbeck

This week a mighty hovel was built, when some veterans studying under Public Law 16 were informed that they no longer qualified under this law. This law, Public Law 16 would be terminated for all graduating classes from Providence College. It seems that these veterans have obtained their advantage, according to the interpretation of P. L. 16, and are no longer eligible for training.

The reason given was that those students who served in the armed forces as physicians or social workers are now in a position to accept employment in any of these fields. According to the use, if one is employable, he can no longer receive benefits under P. L. 16.

Those who were pursuing courses in the above mentioned fields, and who were expecting to continue training in graduate school, were put it mildly, quite disappointed. About all they can do now is appeal their case to the VA, and hope for the best. That is, hope that the VA will change its recommendation in this particular fields.

Last year about this time, veterans in training were beginning to think about whether they would wear their summer leave subsistence. Quite a bit of publicity was given to this in the CWOL on the bulletin board, and by the training officer himself. Unfortunately, as it is all the case, someone always fails to get the word. A couple of the students either forgot about it or failed to see the notice which was presented in more than one conspicuous place. They failed to eat on account to leave subsistence, and consequently, were credited with ten days leave which was subdivided from a veteran’s total eligibility.

According to the training officer assigned to the college, just one of those days, in a particular case, would have been enough to carry that student through for the rest of the semester with the VA, feeling the bill.

What happened was that eligibility of this particular student ran out mid-VA that their period of entitlement under P. L. 16, and was not entitled to reimbursement from a veteran’s total eligibility.

Last Marriage Talk
Held Sunday About Marital Legal Side

Because marriage is not a private, but a social affair, surrounded by civil and religious customs and laws, the legal side of marriage was stressed last Sunday evening, April 3, 1949, to conclude the series of five successful lectures on Courtship and Marriage that have been presented in the auditorium of the Albertus Magnus Hall since early March.

To assist the Rev. William H. Clark, O.P., who with the Rev. Charles H. McKenna, O.P., has been directing the marriage course, the Rev. Michael P. Coyne, O.P., a graduate of Providence College of the Class of 39 and former Editor of the COWL and Yearbook and now assigned to the St. Pius Church, was on hand to present the viewpoint on marriage by a parish priest.

As part of the lectures, two films entitled "Families First" and "Children in Trouble" were shown to the gathering and proved very interesting and instructive.

In order to assist the organization of a similar course to be given during Lent of next year, those in attendance were asked to complete a questionnaire of observations on the course.

A Congregation Card of the Catholic Marriage Ceremony was distributed and explained to the group.

Boyle, Mutter Beat
N.Y. University

With John Mutter and Francis Boyle presenting the affirmative "That Federal Aid Should Be Given to Tax Support" as the demonstration auditorium of Debaters, William Bowsky and Bernard Wray, last Thursday evening in the demonstration auditorium of Albertus Magnus Hall. The decision was awarded by Mr. Leo Dolan, professor of speech in the Pawtucket public school department.

Secretary Boyle, Francis Parente, Thomas Malloy, and Gerald Cardarelli are scheduled to return late today from the two-day "Families First" number of debates for the club this year. Defending both the affirmative and the negative sides of the Federal grants to tax-supported school, the team was to have met Seton Hall College, St. Peter's College, New York University, Brooklyn Polytechnical Institute, Rutgers University, John Marshall Law, Columbia University, and Fordham University in a series of debating contests which began last Friday.

The Rev. Charles H. McKenna, O.P., chaplain of the college is accompanying the members as acting moderator throughout their trip in New York and New Jersey.

To deprecate money on some occasions leads to the greatest gains.—Terence

Dear Sir:

I should like to protest vigorously the mannerly driving habits of many of our student motorists. There ought to be a law.

Many a time I've been crossing the intersection at the entrance to the parking lot, my mind lost in thought, when I've found myself thwarted by a speeding car. Not only do I lose the thought in such a situation, but I also narrowly miss losing my life. At twelve-thirty in the afternoon, the scene outside the parking lot resembles the opening gong at the five-hundred mile auto race of the Indianapolis Speedway. This is the picture—mild, ripe, light tobacco. No wonder more independent tobacco experts—auctioneers, buyers and ware­housemen—smoke Luckies regularly than the next two leading brands combined! Get a carton of Luckies today!

Phi Chi Plays Host
To Science Clubs

The second annual meeting of Rhode Island collegiate scientific organizations will take place Friday night at 7:30 p.m. in the auditorium of Albertus Magnus Hall. The chemistry clubs of Brown University and R.I. State College and the Phi Chi Club of P.C. will be represented.

The speakers will be Dr. Carl Halst, of the Barford Chemical Company; Mr. Frank Amelin, manager of the Fall River Gas Company; and Miss Margaret Parks, an instructor at R. I. State.

This is the second meeting in an annual series designed to bring more unity between the science clubs of the Rhode Island colleges.

Refreshments will be served and the science building will be open for inspection after the meeting. Faculty members and the student body are invited to attend.

Dartmouth Champs Here Friday Night

Keenan Looks Great In Practice Games

By Jack Shea

Tom Keenan, one of the Friar mound staff, deserves billing out for his exceptional mound work of late. In the past week the big right-hander has been almost untouchable in the recent two times that the teams have met, fanning with monotonous regularity. In his 37 innings the Monogrammers have scored a pilfer behind the hitters it is quite difficult to determine how Keenan will go against the opposition this year, but it is 6 years safe to predict that he is head- ing in the right direction for the company.

Other members of the mound staff also have amazing predicted to date. Although it looks like Keenan's work may be conquering that shortcoming over the past 2 weeks, Brad McDermott has should be a very welcome addi- 

tion to the mound staff. Although he doesn't possess Keenan's speed he has an amazing amount of "stuff" on the ball that makes him look like a completely different pitcher from the one we had seen in his chief problem in the past year McDermott is consistent and in winning all on Sunday. The dimu- 

tive lefty hurler makes quite a bit of trouble and as a result he is a threat to the control and pitching game of the Big Ten. Roger Foley has been favoring a strained back of late but his pass record in the last week of the season is in reality a positive role in the pitching game of the Big Ten.

Self-evident from the foregoing is the fact that there has been very little knowledgeable hitting demonstrated. It happened that the absence of base on base hit on Hendricken Field is only in- 

dicative of the batter's slowness in cutting on Hendricken Field is only in-

dentification of the batter's slowness in cutting on Hendricken Field is only in-

cremental well in intercollegiate competition. The weightmen, who have a limited amount of experience in the big wars in competition, are counted on to fill the waiting order this fall and it may well be in P.C.'s weaker events. On the whole, it should be an interesting and exciting season for both competi- 

tors and Friar track fans.

Brown Five Down Friar Basketcers

The Newport Club, P.C. intramural champ, fell before the Edwards Brown with a 61-52 bruising in a game played for the city college intramural title. It was just a matter of confidence that was not possible to all successful present-day coach and the state of mind was definitely war- 

ranted. For any coach would feel a bit down if he knew that three of his key men would not be able to perform.

Coach Loubth said that the Col- 

lege Health Department has positive- 

ly arranged for Ray Forgays, Art Murphy, or Bill Bromson to enter the ring at this time as they would possibly aggravate their present condition. It seems that the injuries suffered by Forgays and the Monogrammed, bowlers, have not responded suf- 

ficiently to treatment at this time and Bromson is suffering from a se- 

vere chest cold.

However, Coach Loubth did say that despite this loss, he would field four bowlers in the next game.

Drew Looks Over Frosh Candidates

Freshman baseball coach Larry Linn has been watching candidates working out for about a week now and yesterday called out candidates on the basis of early spring evaluations. In April, two days later they face the Brown nine at Rhode Island State here.

Games are also scheduled with Marist College on May 7th. On May 13th the P.C. will play State again and on the 16th of May Brown will be the opponent for the other game. This time the meet against Holy Cross will also be met in a home and home series. The first game will be played at Worcester on May 15th and the second one will be played in Providence.

Drew plans to give his candidates plenty of batting practice this week and by the end of the week he will probably engage thearsity squad in a few intramural games.

Dorm Student; List. Where I have been forced to take buns into an over-crevassed cafeteria. How I detest eating sandwiches and worse still is the same old food. The food before cooking is of the highest quality but the fault lies in the manner of serving. The food, I'm fortunate. A growing boy needs sleep, and lots of it. Being a student, I don't seem to be losing much weight. You seem rather well-fed. But I keep barking back in the questions of sleep. I never get enough sleep. When I go out at night, I have to get up at between one and two o'clock. Therefore, if I get six hours sleep I'm fortunate. A growing boy like me needs sleep, and lots of it.

Dorm Student: List. Where I have been forced to take buns into an overcrowded cafeteria. How I detest eating sandwiches and worse still is the same old food. The food before cooking is of the highest quality but the fault lies in the manner of serving. The food, I'm fortunate. A growing boy needs sleep, and lots of it.

Dorm Student: With luck, I'll survive.

Commuter: Happiness consists in the mutability of agreeable circumstances—Domenel Johnson.

Dorm Student: Not so, Mr. Johnson. It is easier to be wise for others than for ourselves.—La Rochefoucauld.

With the answer that I've never gotten a good night's sleep, I still have two suits that are between me and the floor is about three inches of cotton stuffings and a few taut wires. Wo. to the man in the top bunk.

Commuter: What I mean is that I

Dorm Student: We have not only the dormitory, noise of all description will keep you up till two in the morning so it wouldn't make any difference.

Commuter: There may be minor disturb-ances in the dormitory now and then but how'd you like to have a radio running 24 hours a day trying to study? My brother goes to Rhode Island State. On Sunday afternoon he listens to Laurice Melcher and Edna- nor Slater. I can't concentrate.

Dorm Student: We have not only the radio as a distraction but also dripping shower heads, conversations noises through the walls and the general wailing of banishes from the upper and lower floors.

The radio starts with the news at 7 a.m. and doesn't stop till the end of the Star Spangled Banner. The radio plays in the room whether anybody is there or not.

Commuter: Haunt. That must make things difficult. But top this one. My

Summer School To Open In South America

A special summer session has been scheduled by the University of San Andres in La Paz, Bolivia, beginning July 4 and closing August 16, 1949. It will offer to North American students and teachers courses in Spanish, Latin American Literature, Bolivian Archaeology, Latin American History, Bolivian Art and Folklore, Social Aspects of Bolivia, and Economics of Bolivia.

The immediate purpose of the summer session is to offer to North American students and teachers the opportunity to study under the guidance of specially trained professors in a South American university, to become acquainted with Bolivian modes of life, and to improve their knowledge of the Spanish language through direct contact with Spanish-speaking people. Its ultimate purpose is to further mutual goodwill and understanding among the peoples of the Western Hemispheres.

All courses will be given in Spanish. To supplement those mentioned above, the students of the summer session will be offered a series of lectures by outstanding Bolivian intellectual leaders.

In addition to visits to points of historical and cultural significance within the city of La Paz, free weekend excursions to Tiahuanacu, Sorata and other places of interest will be offered in the University. At the end of the six-weeks course students will be given an opportunity to travel throughout the republic.

The entire cost for the summer session will range from $130 to $200. For further information students may write to the Institute of International Education, 2 West 45th Street, New York 19, N. Y. Applications for admission should be submitted by May 31, 1949.

—Debators

(Continued from Page 1)

Debating the proposition of expressing his opinions on each bill presented and the made it possible for everyone present to learn how New England college students are reading and responding to the problems facing the country today.

The students did their work seriously and as a result the sessions never lagged.

The Model Congress showed that the student of today endeavors to understand the problems with which his country and is willing to cooperate with his government in an effort to find a solution to these problems. Rhode Island State College was most hospitable to all the participating students and has the thanks of all of them for efforts towards the success of the Model Congress.

Interviewed on returning from the Congress, Kochan and Feeley said: "The hospitality of Rhode Island State College was most gracious and we are sincerely grateful to the college for the time and effort they took to sponsor this worthwhile event."

Boxing Bouts

(Continued from Page 4)

Boxing team of five men who would acquit themselves in a manner that would be a credit to the school in every respect. It is his opinion that the men scheduled to fight are all capable of demonstrating the clever type of boxing required of inter-collegiate boxers.

The card, as it now stands, is made up of the following men: Pat O'Brien (135) of Providence; Oscar Peterson (163) of Taunton, Mass; Bill McCaughrey (165) of Pawtucket; Kevin McMahon (170) of Dover, N. H. and Frank Kilchert (175) of New Haven, Conn. These men will be handled by Thomas Boxing, '56 and Richard Boiling, '56, who are very experienced in this field. The fact that students will be employed in this respect is another direct stipulation of the rules governing inter-collegiate boxing.

Anniversary

(Continued from Page 1)

It was indeed the misfortune of the Newports to meet a club, which, even at the admission of the Brown roster, was playing its best game of the year. In the meantime Newport was doing just the reverse, playing its worst game as a team. Walsh of Brown paced the scorers for the Brown team, whose shooting average was phenomenal, with 19 points. Bost in the leading P.C. scorer with 17, despite the fact that he only played about 12 minutes in the first half. Dobson and Lynch, each scored for the Priar team.
