Mr. Gamache To Address Pyramid Players Group

On February 20 the Pyramid Plays- ers will be addressed by Mr. L. F. Gamache of the R.O.T.C. department. Mr. Gamache is the hidden talent recently uncovered by the Pyramid Players. He started his theatrical career playing a trumpet and singing with a small dance band for about eight years during grammar and high school days. His work with the school dramatic group was mainly as a scenic designer and stage crew. In 1940 he graduated from Uxbridge High School, Uxbridge, Mass. and went into the Air Force for three years.

While on active duty with the Air Force, he directed a Catholic choir and worked in the base theater, while stationed at Fort Francis K. Warren, Cheyenne, Wyoming.

After his discharge he entered Bryant College from which he graduated in 1941. While at Bryant he participated in the Inner Ten (Little Indians, and Out of the Frying Pan).

Upon graduation from Bryant he worked for Andrew Harris, Inc., a sporting goods firm here in Providence and his spare time was spent with the Blackfriars Guild where he appeared in and directed several shows.

In October 1942 he joined the army (Continued on Page 6)

Drill Team Performs In Woosocket Parade

The annual Mardi Gras parade was held in the city of Providence College was well represented. In addition to the R. O. T. C. drill team, P. C. also entered a beautiful float which was prepared by the Clerical Club and decorated by some very beautiful young ladies.

The drill team led by Cadet John Morrissey performed admirably and received many rounds of applause along the parade route. Strolling along smartly and executing their marching manual with a sharpness that made many a spectator look back, the team won much admiration for P. C.

The entire ensemble consisted of a Commander of trumpets, Cadet George Hickey fulfilling that role, the Color Guard on the sidewalk and also the drill team extended approximately four miles, and was lined with 85,000 enthusiastic viewers.

The one major drawback of the parade was the military setup. All theRegular Army units, the Reserv units and the college R. O. T. C. units were right in the beginning of the parade. The drill teams of Rhode Island, Providence College, Roger Williams, Brown Navy and Brown Air Force marched in that order. This writer is inclined to think that this setup was a complete success.

Perhaps our readers may be interested in hearing that the Drill Team and Woonsocket Club take part in Mardi Gras festivities.

EIGHTY STUDENTS ATTEND WORKSHOP

Providence College was the scene of the annual Religious Interests Group Workshop of the National Federation of Catholic College Students last Sunday. Approximately eighty students from twelve New England colleges attended the workshop held in Albertus Magnus Auditorium. Fr. Anthony Jurgentz, O.P., moderator of the P. C. Chapter of the N.F.C.C.S., in addressing the delegation, emphasized that Catholic college students must look to the Holy Trinity for the inspiration and wisdom to become exemplary Catholic students while in college and thus prepare for their place in society.

A representative of the P. C. chapter of the N.F.C.C.S. will attend the winter council of the New England Region on February 17, 18 and 19 at Regis College.

LETTER TO THE EDITOR

I wish to extend my thanks to all those who helped make the recent Carolin Club Weekend the wonderful event it was. To Myron O'Connor and Dick Rice, my special appreciation for a job well done.

As always, special thanks are in order to Rev. Edward M. Casey, O.F., without whom Dorm Weekend would never have been the great success it was, and with his help, always will be.

Sincerely,
William T. Barrett
President, The Carolin Club

Don't write home for money-write Lucky Drodles!

The easiest 25 you'll ever make!

A raft of students have already earned $25 in Lucky Strike's Drodle drive. By June, hundreds more will. Better get with it.

It's like taking candy from a baby.

Do as many Drodles as you want. Send them, complete with titles, to Lucky Drodle, Box 67A, Mt. Vernon, N. Y. Include your name, address, college, and class—and the name and address of the dealer in your college town from whom you must often buy cigarettes.

If we select your Drodle, we'll pay $25 for the right to use it, with your name, in our advertising. And we pay for a lot of Droodles.

BARRISTERS TO DEBATE AT R.I.C.E.

The scheduled debate between Rhode Island College and Providence College for last Monday evening was canceled because of illness on the R.I.C.E. team. It has been announced by the Barristers that arrangements are being concluded for a debate to be held this week against the Rhode Island College of Education on the national topic—Resolved: That Non-Agricultural Industries Should Guarantee Their Employees an Annual Wage.

Other tentative plans announced by the Barristers are the acceptance of an invitation extended by Bryant College to debate a subject selected by Bryant other than the national topic and the acceptance on the part of the Barristers to send two teams to solve Regional College in New York, to engage in a "Foreign Affairs" round table discussion in consortium with students from Holy Cross and the host college.

Juniors . . .

(Continued from Page 1)

Junior activities will help to answer these pertinent questions.

The Sauter-Finegan band wants to be more than just another dance band. It wants to play music that says something, music that will provoke people into more than passive listening. It wants to be a band that will be remembered tomorrow as well as today. 

Announcement that the Sauter-Finegan Orchestra had been signed came from Francis Brennan, Junior Class President. With such a fine band as this and with the combined efforts of Junior class members the Prom is sure to be the best ever. The Prom will be held at the Sheraton-Biltmore Hotel on Friday night, April 27. Rides will be sold for $1 each and a five dollar deposit will hold a bus for any Junior.
Playing some of their best ball of the year, the Friars five turned in a 103-vertic victory over Holy Cross, a school long renowned for its basketball prowess, and now starting to develop the ice sport. After Paul Samoli got the scoring parade rolling with a 2-12 shot on the first period, No. 16 Francis scored twice on the goalie stands (in the final frame, and in the final frame), and Bob McDonough and a solo by Gorman rounded out the scoring efforts by Lou LaFontaine got the scoring parade rolling at the Providence College's defensive backboard and Slim Horne took the contest, but time ran out when the New Englanders gave it the 10-5, 78-72, 30-28 PC on Top. Both teams moved up with the score changed hands seven times in the third quarter but with the New Englanders in the game, Providence bore more responsibility for the Friars' recent success. Providence College 69-Boston University 85.

The Friars opened the third period on B.C. Historian suddenly touched by those long shots. The final score came while P.C. was playing with six forwards, as a long American International shot rolled into the empty Providence cage.

Coach Rondeau commented that the inability of the Friars to score in the second period was the deciding factor in the game. Also the sudden third period failure of the defense and Horne, who up to that time had been in a strong effort, could be counted on as a reason. The Friars got the Aces with Harvard. Prince.

Friars Meet Boston College
And Notre Dame Quinnets

Tomorrow night the Providence College Friars, the newest court
dundies in the New England college circuit, will tangle with the Boston
College Eagles coached by Rhode Islander, Dino Mazzini, at the Eagles
small gym. Judging by the way the two schools have been playing lately,
the Friars should take this one, and
also the return battle between the
Dominican and Jesuit forces on
Friday night at Alumni Hall.

The Friars are having a poor 7W, 12L
record, but they have some good players,
led by Dick Sherfilington, and
somewhere seem to be tough on P.C.

Friars Edge Terriers
In Spectacular Finish

in one of the hottest contested
 games of the year, P.C. edged Boston
 College 14-10. The Friars' lead was
established on the B.U. bench, as
a tech foul was exerted. B.U. had its
best chance to claim victory when 10bowl
remaining, a tech foul was called against P.C. but the
field was ruled out. At this time the Friars' lead was
the only points of the game. P.C. missed the final
the only point of the season.

PRATT & WHITNEY AIRCRAFT
DIVISION OF UNITED AIRCRAFT CORPORATION
EAST HARTFORD 8, CONNECTICUT

INTERVIEWS...
with visiting engineering representatives of Pratt & Whitney Aircraft
Friday, February 17

MINIMUM REQUIREMENTS

• Any B.A. or B.S. degree.

• Mathematics through differential and integral
calculus.

• One year of college physics (additional courses in
chemistry or related sciences desirable).

• A good scholastic standing in undergraduate
work, particularly in math and science courses.

• Desire to pursue a career in engineering.

PRATT & WHITNEY AIRCRAFT, one of America's
greatest engineering organizations, is offering a
comprehensive engineering course to qualified B.A. or
B.S. graduates. Throughout the training period, those
enrolled in this program will be paid a liberal salary
— with increases as scholastic progress is shown.

The educational program itself will be conducted,
at our expense, by one of the nation's foremost en-
gineering colleges. Graduates of this 30-week course
will be assigned to our engineering department. Here,
they will be given the opportunity to do creative
engineering work on the world's finest aircraft engines.

Such an unusual opportunity should be fully investi-
gated by B.A. or B.S. graduates with engineering
interest. Further information and Literature can be
obtained from our College Placement Office — ap-
pointments for interviews can also be made.

Though this has absolutely nothing to do with the title of this column, from time to time I'm going to include items of interest (the term is used advisedly) from the exchanges. This influx of exchanges is summed up very well by someone named John Finnesgan in the Boston College THE ARCHWAY. Says he: "A boy through tons and tons of paper, the editor glanced for a few seconds that might conceivably be of interest to what is generally known as the reading public." That is about what I intend to do in this corner. This week I'll tell you all about getting caught rather than use the fatigued student use paper eyes and open book, the writer suggests that the writer has participated in many productions in the dual capacity of both player and director. He also held membership in the Canton Players and the Barker Players and has appeared in Mr. Roberts and in A Camera with Veronica Lake and Herbert Evans. He has played a great deal in stock and his own play Harvey ran for a week in Harlingen, Maine. Mr. Gamache has chosen for his topic, Theatrical Makeup. His vast background and interesting experiences within the theatre should add to his informative lecture.

of Douglas. Music for the dance was furnished by Fern Mandeville's orchestra.

On Sunday, the club's float entitled "A Pretty Girl" was seen by over 60,000 people who lined the parade route. The Mimes James, Gliddon and Scaramella all rode on the float which was decorated in black and white. Preceding the float, riding in a convertible, were president DeLorches, Val- lio, Normand, Gelinas and Donald Carriean. After the parade, Mr. John T. Murphy, Saint-Gaudens general chairman, expressed his sincere gratitude for a fine job. Deloreche announced that the P.C. Drill Team made a "big hit" with the crowd and the president wishes to extend his sincere thanks to the R.O.T.C. officials for the wonder ful co-operation given the Woonsocket Club.

Lenten Services

Today is Ash Wednesday, the beginning of Lent. Ashes will be distributed all day between classes in the chapel, and also after the evening devotions tonight in Aquinas Hall Chapel beginning at 7:30 p.m. There will be a recitation of the Rosary, Benediction of the Most Blessed Sacrament, and a sermon by Rev. William Dillon, O.F. member of the college faculty. On Friday afternoon at 7:30 p.m. there will be Stations of the Cross. As the priest places the ashes on our foreheads he will recite the Latin equivalent of the phrase, "Be man, man, that you are dust and to dust you will return."

Veterans' Club Elects Officers

Last Wednesday night, the members of the Providence College Veterans' Club displayed their confidence in their present slate of officers by reelecting all the candidates to office unanimously. Gerry Poulet, a sophomore, was elected president; Bill Dimroe, vice president; Dominic Calabro, secretary; and James Des San, treasurer. These men were instrumental in drafting a letter to Rep. John Fogarty suggesting a raise in pay for the veterans. They also arranged a lecture by the Honorable Congressman Fogarty.
