Robert Grimes, '57, is the new president of the St. Anthony Club for the 1956-57 academic year. It was announced today. Grimes has been secretary of this year's group.

The purpose of the club is to further the interests of the economics majors, particularly the juniors and seniors. The meetings however, are open to the entire student body. At the most recent meeting, two former economics majors graduates, one currently employed by U.S. Steel Corp. and the other a local advertising agency, spoke of the opportunities available to economics majors.

Completing the roster of new officers is Peter Harrington, '57, from Pawtucket, R.I., vice president; Robert Bannon, '56, from Cranston, R.I., secretary; and Thomas Gilligan from Woodmore, New York, as treasurer.

The complete company for the forthcoming Pyramid Players' production of "Scotch 'N' Wry" has been announced.

The cast includes James Flannery, John Welsh, John Gagnon, William Cronin, and James Piscitelli. Female roles will be undertaken by Jean Dykas, Claudia Littlefield, Dawn Brooks MacDonald, and Elizabeth Burke, all from the Rhode Island College of Education.

The production staff includes Charles Grimes, director; Louis J. Verchot, stage manager; Leon Calahan, music arranger; and Richard Rice, scenic designer. The largest assistants are David Harrington, George Boyle, and Joseph McNeil. Assistant to Mr. Verchot are L. Edward LeBeau and Charles McLarney. Assisting Mr. Rice is James Baker. Mr. Grimes and Mr. Verchot are also co-authors of the musical comedy.

Other members of the production staff are: Courtenay J. Garby, house manager; James Kelley, proprietors; Richard L. McCarthy, production associate; Basil Gere and Margaret Brady, stage manager; Ann German and Claudette Deveen, wardrobe; James Flannery, advertising; Vincent Parenti, bass accompaniment; and Robert Laffey, publicity.

Costumes will be by Brooks of New York. Lighting effects will be under the direction of James Meiggs and the make-up will be by Leonard Ga-mache.

Again it was stressed that "Scotch 'N' Wry" is not a musical review, nor a minstrel, nor an operetta. It is a legitimate musical comedy with a definite plot. The members of the Pyramid Players have done their best to make this presentation something new and different.

Tickets for the presentation may be obtained from John Lowes, Howard Hamilton, or The Bookstore. The method of distributing the tickets has been announced in a letter addressed to the student body and printed in this issue of the COWL.

Investigation Act Dubbed Insincere

Union City, N. J.—The Aug., na­tional Catholic magazine published here, charges in its February issue that the McCarran-Walter Immigration Act legislation has legalized an immigration policy that is "phony," "insincere," and "dismiratory.

"Europeans, for instance, who have been assigned the high immigration quotas must not use them Europeans who desire the opportunity to come to the United States may not do so because of the low quotas assigned them. This amounts to a phony immigration policy.

"The editorial singles out the Amer­ican Coalition as "an organization presently preoccupied with preventing amendments to the McCarran-Walter Act" under the guise of anti-Commu­nism.

Drawing the charges of anti-Re­publicans that suggested changes in the law are Communist inspired, the magazine declares in a leading editorial: "The trial run which the Im­migration and Nationality Act has had has revealed some very good, unLeft­ist, un-Communist, and perfectly American reasons for revision."

It concludes: "One doesn't have to be a leftist to want that. He doesn't even have to be a Southern or East­ern European. He only has to be an American of the sort we think of as typical. That is, he has to have a heart and a sense of humor."
Friars To Play In Three Contests This Week

Ritacco Strikes Out 18 in B.C.'s Assumption 4-2

By Charles Duggan

The Friars win their second game in four starts by turning back the Greyhounds of Assumption last Friday. The final score was 6-2 with P.C. leading all the way.

Sophomore Bob Ritacco pitched for Providence, and went the distance for the win. Ritacco was close to unmatchable as he gave up only one hit, while striking out 18, and walking one. Providence had only three hits, but two were for extra bases. Tom Cahill tripled and Art Alonzo doubled.

Providence spotted the scoring in the last of the first inning. Tom Cahill tripled with two outs and raced home with the first run on a sharp single by Ed Lewis. The Friars tallied again in the third as Bob Woods walked and promptly stole second. Cahill walked, and the Assumption pitcher, Joe O'Brien, hit Buzz Moore foul. Cahill tripled and Art Aloisio doubled.

Providence held on to a 4-2 lead until the seventh inning when they scored the tying run on a wild pitch by the Assumption pitcher. Ritacco fanned Mike Ganuv, but was the last out on the field. Sax Schmilch gave the Friars a 4-3 victory over Assumption.

Some 500,000 new cancer cases will be reported this year in the U.S., according to the American Cancer Society. This is a four-home run series. The Penguins upset a double-headediddy on May 2. Monday's postponement will also be played as part of a twin bill on May 16. These contests are at Hendrickson Field.

The Pentathlon and Discus events are open to everyone, including the members of the track squad. The reason for this is to give a fair shot at the less fortunate track team members to win Providence College Metals. In addition to the Pentathlon (200, 1000 meters, discus, javelin and broad jump) and Decathlon (100-yard dash, broad jump, long jump, pole vault, 1500-yard run, 400-yard run, 100-meter dash, 1000-meter run) events Mr. Coates also hopes to hold three handicap races—100-yard dash, 500-yard and mile race, in the future—so, how about it? Let's show some interest and get out there and help contact Mr. Coates.

Friars Down Brandeis 9-4, At Hendrickson Field

By Tom McCormick

The sun shone through, both figuratively and literally, for the Friars last Thursday as P.C. downed Brandeis 9-4 at Hendrickson Field. For three innings, the pitchers were dominant, as Bud Statterly and Mike McDonough mowed down the visiting team on the scoreboard. After this, however, things changed considerably. In the home half of the 4th, a walk to Ed Lewis and a double to Mike McDonough set the table for Rollie Rabitor, who unloaded a home run down the left field line. The Friars had scored two runs in the fifth as Jim Stehlin and Dick Cunningham, both hitting a double and a triple, respectively, supplied the clutch hits. An error on a cutoff play at the mound added another to the board. Art Alonzo's single scored Frank Tirico who had reached on a fielder's choice, Cahill walked, and Cahill tripled and Art Aloisio doubled.

 Providence College hopes to reuse their winning ways this afternoon as they travel to Connecticut to meet the Bulldogs of Bridgeport University. This is the first of a three game week. To return to Hendrickson Field, place 6, and beat Boston University. Coach Murray's boys will close out this week's home games by countering a strong Holy Cross Squad.

The Dorm League begins Fall Softball Season

Casey's Clippers, last year's league champions, were upset by a strong Griffiths squad, 11-8, in favor of the Clippers, Jim McDonnell unloaded a tremendous grand slam in the 4th to lead the Eightballs combined a double and a single for the winning run.

The Spanish Joe's sluggers defeated the Griffiths 4-3. Bob Hegy and Alan Grande paced the Joe's, with each man belting a home run. In another game, a tough fight between the Conquerors, 9-2. The Penguins went down to defeat at the hands of the Diamond Gems, by a 14-11 margin, and the Irish Ministry won their opener by the slender score of the "Fighting '57" team failed to appear.

Wives Of Seniors To Receive Degrees

Wives of the members of this year's graduating class of Providence College, are to be presented with P.H.T. Pasting Handy Towels as an award for their valiant efforts in helping their husbands complete four years of college.

This year the presentations will be awarded in the evening of the annual Cap and Gown Day to be held at Fri. May 4, it had been the practice in the past to award these degrees at the Family Hour held on the Feast of the Holy Family in January. The Family Hour has disappeared two years ago, however, because of the limited number of married students. It was thought advisable to make the presentation on the agenda of Cap and Gown Day along with the Commencement Ball, in order to give the candidates time to prepare more properly for the presentation on the agenda of Cap and Gown Day along with the Commencement Ball, and also to make their dinners within the next week in order to avoid undue expense, and help the Class Gift collection to reach 90 per cent.

To the Freshman Class:

I would like to take this opportunity to inform my fellow freshmen of my intentions if I am elected. They are as follows: assurance of fast efficient representation, careful consideration, and responsible representation.

Letter To the Editor

Fellow Students:

In order to present better stage productions more often, for your pleasure, we are including a new and more practical method of ticket distribution.

For "Scotch 'n' Wry," free reserved, student tickets will be available in exchange for EVENT No. 24 in your Student Activity Books. We are issuing tickets on a reserved seat basis only to those who can be had on any specific night you wish, not in advance, but at the office of the Freshman Class (in the Rotunda) on the night of the performance. You may purchase an unlimited amount of tickets in advance at the Bookstore; free tickets will be given out only on nights of performance, and for that night only, and also with the purchase of one ticket or more from The Bookstore.

With this method of distribution, the Pyramid Players will not only be able to present more productions more often, but for longer runs.

Our forthcoming presentation is "Scotch 'n' Wry," a new and exciting musical comedy. It will run for five consecutive nights (this is longer than any of our shows has run) and is scheduled for a repeat performance. It will play for five consecutive nights (this is longer than any of our shows has run) and is scheduled for a repeat performance.
