Three hundred and one students have earned a place on the Dean's Honor List for the second time in the spring semester. For the semester ending January 29, 1950, the Rev. Vincent C. Dore, O.P., Dean of Studies, announced last week. This number shows a 32% increase over last year's number of 244. Of the 301 Honor students, 78 are Seniors, 70 Juniors, 85 Sophomores, and 68 Freshmen.

A cureous review of the names on the list revealed that at least six students were a transfer of 145 students received straight A's. Of these, were freshmen, 2 seniors, and 1 junior. There were no sophomores represented in this category, although, a group of juniors is the most numerous on the list.

Several students who are with us in the coming semester, and have not had an adequate opportunity to be evaluated, have been chosen for membership in Delta Epsilon Sigma, national scholastic honor society for Catholic colleges, through acceptance of the P. C. Theta Chapter. Another requirement is that candidates possess such character traits as to make them desirable for a Catholic college. Delta Epsilon Sigma benefits to all concerned.

Several students are eligible for membership in Delta Sigma. A number of them have been chosen, but they shall not be included in the official list of candidates taken from the number of senior men.

The completion of this year's first semester, 13 of the student body had achieved honors, as compared with 10 last year. Attending to the figures, the seniors, with 28% of their total potential, are

Tertiaries to Hear Lecture by Paulist Father

The V. Francis T. McGough, C.S.P., Secretary to the Superior of the Paulist Fathers, will give the annual Lenten lecture to the Tertiarie in the auditorium of St. Ignatius Hall on Friday, March 9, at 8:30 p.m.

At the regular weekly session held in Aquinas Hall chapel, members of the Third Order of S. Dominic heard the Rev. William A. Hennubech, O.P., speak on "practising the presence of God." The Tertiaries for the first time made use of long-saided hymns books which have been printed after much delay and now replace the makeshift folders used previously.

Harry Hennubech urged his audienct always to act as if God were right there. "We have the presence of God as strongly as that of the physical objects that surrounded them," he said. Father Hennubech and the Rev. John J. Jursken, O.P., are accepting the Rev. John J. Jursken, O.P., are accepting the invitation to conduct the Friday night meetings as part of the extension school program.

Father McGough represents one of the few foundations of the Paulist Fathers in the United States. The missionary society is represented in 14 countries by members of the Terrymen, who are engaged in the work of preaching and teaching the faith from country to country.

The Providence College Tertiaries, a group of about 15 members, are engaged in the work of preaching and teaching the faith from country to country.

HARRY VAYO ELECTED

Elected Editor of Alenic

Harry Vayo

At the recent meeting of the Alenic, Harry Vayo, '52, was elected Editor-in-Chief. Mr. Vayo, formerly an Associate Editor, succeeds Wales B. Henry, '50, who held the Editor-in-Chaircy for two years and is now Co-Editor of the VERITAS.

Harry Vayo was born to a home of each student on the day the ring is received, notifying him of this fact.

Rings may be obtained in either 14 or 18 karat (75 or 90%, respectively). They may be obtained in almost any color. Yellow gold is the most popular, but it normally contains 2.5% of copper which is added to make it yellow. White gold is normally made by adding such a quantity as to make 9.25 parts silver to 100 parts gold. Red gold, or rose gold, contains 16% gold, 2% silver, and 82% copper. White gold may also be made by using gold, silver, and copper in proportions of 10:3:97. White gold thus obtained is quite soft and may be molded into any desired form.

College Hears Monsignor

A capacity audience at both assemblies yesterday morning in Harkins Hall were entertained by a pictorial lecture delivered by the Rev. Julius Haum of St. Mary's College, Winona, Minnesota. Monsignor Haum spoke on "Spain—Historic and Artistic".

The lecture consisted of comments on lanterns, slides, which depicted mostly the grandeur of cathedrals in Spain.

The purpose of the lecture, Monsignor Haum said, was to inform Catholic students, who are as little about the true Spain, about the Spaniard as he is about the true Spain. He is a product of medieval glory.

Highpoint of the lecture were the slides in color which depicted the magnificent and highly ornamented cathedrals. The Monsignor from St. Mary's also displayed and explained pictures of various types of architecture — Gothic, Roman, Renaissance. Also shown were the Muslim mosques of southern Spain.

Speaking of the present day economic condition of Spain, Monsignor Haum, who was in Spain last year, said the Spaniards are not starving, as is the claim of the American secular press: but, he added, they do have a difficult time because of the infernal soil found there.

Oleo Summer School Offers Scholarships

The annual Summer School for American Students at the University of Oslo, in Norway, has been announced by University authorities.

The 1950 session will be the fourth consecutive one, and will be held in Oslo, from June 26 to August 5. Once again all arrangements will be handled by an American committee, and applications for scholarships, in the sum of $110 each, will be accepted from the Oleo School Administration Office, at St. Olaf College, in Northfield, Minnesota.

The Summer School will grant 20 scholarships for the 1950 session. These 20, in the amount of $110 each, cov er the student's tuition, student's fees, and excursion fee. Any student who wishes to be considered for any of the Oleo scholarships must apply to the University of Oslo Summer School Administration Office, which will also apply for admission for the student. The school has been approved by the Vatican Administration, which will also pay the tuition fee and probably the student fee.

CUMMEN MEN FRESHMEN WIN PAIR IN LAST FOUR GAMES

FRIARS FOLIO

Freshmen Win Pair in Last Four Games

By Charlie Sakany

During the past two weeks the P.C. Freshmen have seen action four times, emerging victorious in three. The Freshmen edged Nichols Junior College in two-eights, defeated a good Springfield Club, 67-69, last close one to Newman Prep, 64-60 and won the last by 57-66.

In the only home game of this series the Friar Freshmen displayed fine teamwork in overpowering Nichols in a thrilling game. The first half saw the P.C. trailing by a slight margin until Power starred with a six point burst in the closing seconds. The half ended with the Freshmen in front, 32-31.

The second period was all the Friars as the Coatesmen capitalized on the misplays of P.C. and tallied to an all time high of 24 points, the highest scored against the Friars all season. The Newman team, operating at the college. However, during the first period, determination enabled the P.C. team to hang close, but losing by 8 points of ball which put them up 27-24 at the end of the first half.

In the second period a victory was scored with remarkable field goals and 3 free throws. In the first half P.C. was outscored by 8 points. Power was high for the Friars in this contest with 11 points, and close scoring with the Friars trailing by 16 and 13 respectively. This true team effort, through the efforts of Harry Coates and his runners, turned in a wholesale success at Providence College.

Tonight at Rodman Gym in Kingston, a weakened Providence College basketball outfit, is expected to make it two straight over the high-flying Rams of Rhode Island State. The Friars, with Sam Nissel but of the lineup because of a fractured finger, are rated slight winners in two close contests and are hunting for revenge.

In the first encounter played at the Auditorium, the Friars scored a second straight, defeating the Rams, 67-59, on February 29. A 20 foot set shot by Walt Loszok mess a terrific second half comeback from the P. C. Cardinals at half time.

There has been considerable clamor for the team to be changed to an auditorium with a larger seating capacity. FIRST FRIDAY CLUB
Dr. Walter I. Darkin, of the staff of St. Joseph's Hospital in Providence, will be guest speaker at the March meeting of the Catholic Laymen's First Friday Club. The meeting will be held this coming Friday evening, March 3, at 6:30 p.m., in Butler's Dining Hall, Pawtucket Avenue, Pawtucket.

Dr. Darkin, chief obstetrician at St. Joseph's Hospital, will discuss "Morbidity and Mortality." The series in Sacred Scripture will be continued by Rev. Patrick J. Hunt of St. Teresa's Church, Pawtucket, who is acting moderator.

Kent County Club Plans Communion

The Kent County Club, gathered Monday evening at the Biltmore Hotel, in Coventry, authorized a committee to begin arrangements for a special communion breakfast, scheduled for May. The group also appointed investigating committees for a general dinner meeting and for a dance which would be held jointly with the Cranston Club.

Present at the meeting were Rev. Joseph M. Bartley, D.M., moderator, and James A. O'Dea, '36, Cranston Club secretary and John E. Fagan, president of that unit, who thanked the Kent County Club for its support of the recently held Cranston Club dance. It was also Fagan, who, on behalf of his group, introduced the joint dance.

Named to the breakfast committee were Robert A. Flynn, '36, and Raymond Morello, '38, co-chairmen of the social committee; Robert M. Corey, representing West Warwick and Coventry, respectively; George H. MacDonald, '35, representing the Apponaug region; and Herbert Underhill, '52, representing the Lakewold region. In a discussion on the breakfast, the chief opinion expressed was that it should be held solely by the club rather than in conjunction with another group as was done last year.

Named to represent the Kent County Club on the Joint Cranston-Kent dance committee were Victor Ellis, '35, George Heffernan, '35, and MacDonald.

Named to the dinner meeting investigating committee were: Thomas Cawley, '32, Joseph R. McKanna, '36, Henry Quinn, '32, and George McKanna.

Flynn read the proposed club constitution prepared by Lavoque. The two are co-chairmen of the committee in charge. After revision, the constitution will be submitted to the Student Council.

The joint dance committee is comprised of four men each from the two clubs, with the members of the Kent County and Cranston groups, George Fagan, '35, and Fagan, as members ex officio.

liberal quarterly in the country; and to maintain and defend the two high standards will be the goal of the Editorial and Literary Board of our publication for the coming year."

He added, "In keeping with this policy the staff of the student body is entirely solicited. The staff is constantly on the lookout for undiscovered writing talent, especially among the Freshman and Sophomore classes. The ALEMERIC should not be the work of a few, but should be the creative thoughts of the entire college. Short stories, essays, and poetry are always accepted. Book reviews, works of literary criticism, and critical evaluations of contemporary political or economic problems are greatly desired."

$38 Million Paid
To Vets In R. I., Mass.

Expenditures totaling $38,548,614 were made by the Veterans Administration in Rhode Island and southeastern Massachusetts for direct and indirect benefits to veterans, their dependents or beneficiaries during the fiscal year 1949, ending June 30, 1949, according to a report issued today by John L. Reavey, Manager of the Providence Regional Office of the Veterans Administration. Expenditures in the six New England states during the fiscal year totaled $412,325,244.

The largest amount in the list of local expenditures was $11,070,079 which was paid for local expenditures and interest on veterans' benefits. This is a conservative estimate of one million short tons performed last year by the tremendous manufacture and sale of contraceptives. All this is an attack upon the home, but at the same time it is an attack upon society, Dr. F. H. Dunbar, father of 8,000,000, said.

the only reason for marriage.

Father Dittoe then elaborated on the threshold blessings of marriage: offspring, conjugal fidelity, and the sacrament. The birth of a child, he said, brings a new kind of life into the same-family life. To conjugal fidelity, he added, especially concerns conjugal chastity by which the spouse renders to each other and to no one else the mutual rights granted by marriage. As to the third blessing of marriage, Father Dittoe said, "Just as the union of Christ with His Church was a union of love, and a union by which grace entered into the Church, so also is marriage a union of love, and a union by which sacramental grace enters into the persons of Christian marriage through each other."

In this day and Age," Father Dittoe concluded, "the interest in marriage is one of desolation rather than consecration of the home. The attack upon Matrimony is growing day by day as is evidenced by the number of divorces granted each year, by the conservative estimates of one million short tons performed last year by the tremendous manufacture and sale of contraceptives. All this is an attack upon the home, but at the same time it is an attack upon society, Dr. F. H. Dunbar, father of 8,000,000, said.

Other speakers scheduled for the remainder of the lecture series are Rev. John F. O'Doh, St. Mary's Church, Pawtucket; Mr. and Mrs. Charles F. Reynolds, Dr. Thomas F. Fogarty, and Father Clark. 201 Students ...

number on the Dean's List, did twice as well as last year's graduating class, and better than they did last year at juniors, when 15% of the class achieved honors.

Sixteen per cent of the Juniors and Sophomores appear on the list. The Juniors topped last year's Juniors by 5% and did as well as they had as Sophomores, while this year's Sophomores matched last year's class and topped their Freshman record by 7%. This year's Freshmen, with 19% achieving honors, were as good, statistically, as last year's class.

This semester's marks, in many cases, proved deciding factors in determining the standing of Seniors at graduation. Under the system effective for this year's graduating class, in order to graduate cum laude, a student must have a scholarship quotient of 3 for work done during the last three semesters. For magna cum laude the quotient of 3.3 is required, while a quotient of 3.6 will bring summa cum laude honors. Certificates of Honor will be mailed not soon to those on the Dean's List, the Dean's Office said Monday.

Wha'd He Say . . .
(Continued from Page 2) what happens when the worst two thou-
sand rats separated by individual cramped spaces.

The war was just over, when, at fifteen, I decided to leave home. My father always said I'd go places and just to make sure, he nailed the box-
car shut.

When I got out, or I should say when I was unloaded, I set out to find a job. I went to the employment agency and told them I was a new genius. They offered me a job at a hundred dollars a week. I ran around the block, came back and told them, I was a used genius, and they offered me a job at five hundred a week. I was debating whether to take it or not. just when I was offered a job as a pretender. I had never done this before and I figured it would be a new twist. Besides, I didn't have any money to go to work. I was just around the bend.

It was here that I made my first dollar; I framed it like they do in barbershop, but instead of hanging it on the wall, I wrote it on my forehead. Then, when I'd walk down the street, people would say. 'There's a guy who has all his money.' Others would say, 'Yes, but does he have all his marbles?'

But in spite of this, Fate has been kind to me, and as for success, I owe it all . . . Home that reminds me of Income Tax day. Well, just let's say it all.
