by the mayor of Apponaug on the city hall stairs. The new professor of criminology will assume his dignified position as soon as he has solved the mystery of the ladder in the elevator shaft, or, as it has been termed by some students on campus presuming to be adults," a COWL informant revealed yesterday. It was deemed necessary by the administration to institute such a course into the curriculum. The move was designed to fill a decided gap in the college curriculum, it was added. Brothered Charles received his habit and cap of office at a special ceremony held Sunday and conducted by the Rev. J. L. Mellon, popular theology professor, will not meet his classes for the remainder of the term. Fr. Mellon suffered a sprained jaw as a result of his rapid-fire articulation, and will be unable to conduct his classes in a manner to which his students were accustomed.

LATE BULLETIN The annual Easter vacation will start on April 2, instead of April 1, as was erroneously printed in the school calendar. Classes will resume on May 31, at which time free beer and pretzels will be given instead of the usually boring and painful final examinations.

Business Lecture The future statesmen of America will bear an important lecture tonight in the Antonian Hall business building at 11:35 p.m. Speaker of the evening will be Dr. Sellmerelse, whose topic will be, "How to Keep Your Foot in the Door Without Getting the Bones Knocked." Reasons given for the late hour lecture is that Dr. Sellmerelse is having an ankle injury treated, and will be unable to make it any sooner. Dr. Sellmerelse is a leading authority in the field of criminology, specializing in juvenile delinquency.

Jesus Admit After nearly 400 years of constant, continual bickering, top officials of the Jesuit Order at a secret conference held on an island off the coast of Rhode Island, finally gave in and announced, will be the Dominickettes, Miss Belinda Belinda Burp of 72 Belcher Street, West Dogpatch, R. I., as Queen. Miss Belinda Burp of 72 Belcher Street, West Dogpatch, R. I., as Queen. Miss Belinda Burp is going on 19 (for how many years we don't know) and a petite body (155 pounds of prettiness with hair as fine as corn silk).

The Committee unanimously selected Miss Belinda Belinda Burp of 72 Belcher Street, West Dogpatch, R. I., as Queen. Miss Belinda Burp is going on 19 (for how many years we don't know) and a petite body (155 pounds of prettiness with hair as fine as corn silk).

She attends Miss Honeysuckle's Charm School where she is taking a course in "How To Hold A Man." For some strange reason, though, Miss Belinda Burp, or Dipsey as her friends often call her, has not been able to pass this course in three successive tries. Possibly because the rest yet caught a man. Miss Belinda Burp, though, once had a beau; but for some unexplained reason when he got his glasses back from the optometrist, no more was seen of him.

Belinda will wear to the dance a lavalot Paris creation; a pearl necklace ($ & 10 variety) and shoes by Tom McCann. Her hair will be a reversible pyramidal surround by feathers. The Committee also announced that Miss Belinda Burp will be escorted to the affair at the Sheraton by Frier Boy. This was deemed necessary because there are to freshmen worthy of such a beautiful damsel. Frier Boy, when interviewed by a COWL reporter, said, "I am honored to escort Miss Belinda Burp, and I think we'll have a dog of a time at the clambake."

Sweepers Revolt
The Dean of Sweeping announced today that unless the students stop throwing the butts on the floor after smoking in rooms and corridors they would go on strike closing down the school for an indefinite period.

Get Entree Choice
To eliminate all further complaints from dorm students, the kitchen staff announced that starting next week complete menus will be supplied. Dorm students will now enjoy a choice of entree for each meal.

Loyalty Oaths
Loyalty tests will be given to all teachers at Providence College, it has been announced by the Committee on Thomistic Activities. In its annual report the committee stated that many Providence College students have been acquiring bad reputations in the secular world, and it is thought that their teachers in college have been the direct cause of this state of affairs. Non-Red oath will be administered to all teachers, and prospective teachers will be carefully screened before being allowed to teach at Providence.

Permission Granted
Permission has been granted to the student body to make use of the elevators in Harkins Hall, previously considered sole domain of the Faculty. This surprise move resulted from the persistent action of the student governing body who convinced the powers-to-be that life for the students would be more enjoyable. The committee stated that many of the extra jazz have been included in the new curriculum.

New Dormatory

Permission has been granted to the students to make use of the elevators in Harkins Hall, previously considered sole domain of the Faculty. This surprise move resulted from the persistent action of the student governing body who convinced the powers-to-be that life for the students can also be more enjoyable.
