Second NFCCS Debate Meet
Set For P. C.

Plans for the second annual New England NFCCS debate tournament under the chairmanship of Mr. Thomas A. O'Brien, will be announced today by Joseph Quinton, chairman.

Invitations to the two-day affair, scheduled for March 28 and 29 have already been accepted by thirty schools with seven yet to be heard from.

Four rounds of debate will be held on the national debating topic: Resolved, that the Federal Government should implement a permanent program of price and wage controls.

Among the schools accepting are Hope John C. Bowers, winner of last year's tournament, Boston College, and St. Anns.

A banquet Saturday evening, which awards the top team for the weekend and the best speak in the division, will be presented, will complete the affair. A lecture will comprise the entertainment.

Team from each school will participate at the dinner.

Teams will arrive Friday afternoon.

After receiving instructions and registering, will hold one round of debate. Friday evening there will be an informal reception.

On Saturday, rounds at 10:00 a.m. and 2:00 p.m. and 5:00 p.m. will complete the event.

The two teams finishing top of the list will compete for the championship and points will participate in the finals. Medals for best debating will be given to the members of individual points scored, regardless of team standing.

Why A Parking Problem?
The upper photo displays one of the principal causes of this problem: the over-lapping the white borders, thus depriving the parking lot of space for cars, leaving traffic on the sidewalk, one of the results of this problem is seen. 6062 is forced to park outside the limits of the marked spaces, thus creating a further hardship.

Pope's Allocation On Marriage Is Discussed By Father Kenny

Speaking at the second session of the sixth annual Providence College Mariage Forum, the Rev. John P. Kenny, O.F., declared last Sunday night that Pope Pius XII's recent Allocation on marriage was not something new but merely a re-emphasis of the Church's doctrine that the moral values of married life must be respected and upheld.

Father Kenny, a member of the Providence College faculty, told the overflow gathering in the auditorium of Albertus Magnus Hall that the Allocation, an adoration to the faithful, was a summary of Catholic doctrine on marriage and morals.

He also stated that the emphasis in the Allocation was on the true nature of marriage and all that it entails. "Marriage is a way of life, an institution natural to human beings," he said. "It is important that we remember that the primary end of marriage is the procreation of children. The secondary end—the mutual love and support—is not superior nor equal to the primary, but subordinate, he added.

Marriage is a result of a contract, and to be valid there must be full and absolute consent. he said. "By reason of the contract, there is the begeting of certain rights and duties over the body of the other. These rights, he said, are to begot children, to foster love, and to satisfy the sexual appetite.

Father Kenny also pointed out four conclusions in regard to the use of the rhythm theory. They are: 1) a married couple may make the use of the rhythm theory in the days of natural sterility; 2) a married couple may limit the use of the rhythm theory in the days of natural sterility if sufficient and secure moral reasons are present; 3) for a married couple

Biochem Chief To Speak Here

The chief of the biochemistry section of the U. S. Public Health Service, Dr. Jose P. Tassone, will be the guest speaker at the March meeting of the Rhode Island Section of the American Chemical Society to be held Friday evening in the auditorium of the University of Rhode Island.

Dr. Greenough, who will address the students of the Neuberger Biochemistry class and who is present in the National Academy of Sciences, said that the lecture would be on "Enzyme Chemistry in Experimental Cancer Research.

A graduate of Polytechnic Institute of Brooklyn, Greenough received his Ph.D. from Brown University in 1926. He was National Research Council Fellowship at Harvard University from 1926-31 and at Kaiser Wilhelm Institute, Dresden, Germany, in 1931-32. Dr. Greenough also taught for six years at Harvard University.

At present, Dr. Greenough has been associated with the National Cancer Institute, National Institute of Health, and the U. S. Public Health Service. The meeting will be preceded by a social hour, beginning at 6:30 p.m. and an informal dinner at 7:30 p.m. at Aquinas Hall.

Hoopsters To Begin Play In NC Tournament

By Jim Marshall

In an exclusive interview with this reporter, late yesterday afternoon, John J. Talbot, director of the National Catholic Invitational Tournament, announced that Providence College, which will play next Saturday or Sunday.

The teams already having accepted are: Boston College, Rhode Island State, Marquette (11-9) or St. Francis of Brooklyn (10-19) could possibly go to the site. The Providence College, which is defending champion.

Of the teams entered so far Siena is the favorite to win the tournament, according to Marquette (11-9) or St. Francis of Brooklyn (10-19) could possibly go to the site. The Providence College, which is defending champion.

The Friars, who will enter the tournament, will be a sure pick to win. They have a 10-4 record, will not be new to the NCT since they competed two years ago when they were beaten by a Siena club that went on to win the title. The competition will be much firmer this year than it was two years ago when Siena was the best team that has ever run.

Mr. Thomas feels that this journey will be as much fun as the best that he has ever run.

Siena has a strong ball club that boast of win over Manhattan (25-5) and eight other teams. It is led by Captain Billy For- man, who is one of the stars. Backing up Harrett are Glenn Binsell and Bill Hogan.

The team has a 10-4 record, will not be new to the NCT since they competed two years ago when they were beaten by a Siena club that went on to win the title. The competition will be much firmer this year than it was two years ago when Siena was the best team that has ever run.

Aubin Announces Queen Contest

Rober Aubin, chairman of the committee for the December 23 contest from Queen, announced yesterday that the contest for selection of the Queen will be held December 23.

Only juniors are eligible to submit a picture to the committee. Aubin stated that the competition must be a clear shot and also a glossy print, and must be submitted no later than April 21 with one of the special forms, which will be sent to all who are on the ticket list. The photograph along with the form, the entrant must state his address, his date of birth, and his weight.

From these pictures, a jury of five judges will be selected and the winner will be chosen Queen. Her identity will remain secret until the ball, where the four contestants will act as the Queen's Ladies-in-Waiting. The juniors counting the five finalists will have the privilege of choosing their high school.

(Continued on Page 6)
On World Affairs Week

A forlorn reminder that the process of education does, but should not, end at the formal education campus door is being presented by the currently staged World Affairs Week. "World Affairs: From Your Campus To Your Community" is the theme of this year's event, which is being held in cooperation with the World Affairs Council of Rhode Island, recognizes the fact that because of the commanding place the United States holds in the world no one, not even the American people, can learn to live in a world that they do not thoroughly understand. The total and fundamental knowledge of the status of the world's affairs is of utmost significance.

When we see even presidential candidates preaching doctrines of neo-isolationism, ignoring current events and the formulation of foreign policy, then we realize where there is need of presenting the true story. It is not the function of the politician to educate. As for the speeches of some of our politicians-turned-statesmen they would attempt it. Only if the voices of the people, instead of the board of ward politicians, can this type of thinking be combated.

As college students we should not feel it unnecessary to join in the program. The problems, the people who are in the world today, the experiences we study and supplements we have already had, may have the latest information, but the American people, the people who are in the world today, like it is one in which no one can be too well educated.

The World Affairs Council of the World Affairs Council of Rhode Island. Their program in necessary in the world today.

The Musical Calls

In a very short time the Pyramind Players will issue a call for tryouts for their annual musical. Anyone interested in the formation of the company in the coming session will have to cast the part of a character acting in a play are not the only ones necessary to make a chorus. The truth is that the musical calls any one to make the musical calls any one to make a chorus. The truth is that the musical calls any one to make the musical calls any one to make a chorus. The truth is that the musical calls any one to make a chorus.

As for the actors, it is to be hoped that they will come to the tryouts so that a nucleus of good actors can be acquired. A large cast of actors is needed to put on the affairs properly, and there are only a few steps necessary to find the students who volunteer for these jobs have the talent to do a job. A large cast of actors is needed to put on the affairs properly, and there are only a few steps necessary to find the students who volunteer for these jobs have the talent to do a job.

So when the call goes out short for tryouts they may find that they have a good turnout. Let's make sure that this year's production is the best ever put on here at Providence College.

Let's see a flood of volunteers for all the possible jobs! The Pyramind Players will fail to make a successful production.

They Help Us

In the past few years prices have risen tremendously, both for necessities and for luxuries. Whether the Cowell falls under the heading of necessity or luxury, we can not say, but it production costs have taken a tremendous hike.

In order to meet and offset these increasing costs we have to increase the amount of advertising, however not to the extent of decreasing the readability of the Cowell. This increase has been justified about by the efforts of the business and advertising staff to keep the price as low as possible.

Now that new advertisers have been acquired, we obtain a fair price which is where we ask the help of the student body. We ask you to patronize our advertisers, and remember to tell the people who have not advertised in the Cowell. When big, when do, when you notice our ad in the Cowell. By doing so, we will be able to cut the price of the Cowell, which is a major advantage, and we can shell those that it pays to advertise, especially in the Cowell.

Rember: patronize our advertisers; they are P.C. price-savers.

For Lenten Meditations

The troubles of my heart are multiplied, deliver me from my necessities, O Lord. See my distress, deliver me, and forget not my sins. Give glory to the Lord, for He is good; for His mercy endureth for ever. Who shall declare the powers of the Lord? Who shall set forth all His praise? Blessed are they that keep judgment, and do justice at all times. Remember, O Lord, I am the favor of Thy people; visit me with Thy salvation.

(From the Gradual of the Second Sunday of Lent)
Several members of the Art Appreciation class conducted by the Rev. Edward L. Huns, O.F.P., along with several other interested students, spent an entertaining and informative day as they were guided through the Museum of Fine Arts on Huntington Avenue, in Boston, last Friday. An interesting and spirited group tour also went through the stained glass works operated by Mr. John Browne O'Gorman on St. Benedict street.

The guide was special lecturer for the academy in the Museum was Miss Merna Crawford of the Museum staff. Miss Crawford will return next month to conduct tours of the various remnants of the once-great Egyptian civilization.

Among the most interesting was the tent-frame of wood covered with gold leaf, in which was placed a chair and table. The bed had no head—only a foot-board to keep the sleeper from falling out and a peculiar headrest of wood and ivory. The tent-frame, Miss Crawford explained, was the property of Queen Hapy-senut, mother of Khufu, who was Pharaoh around 2600 B.C.

Also pointed out were statues and statuettes of people and gods, which were placed in tombs so that the Egyptians after death could do the things represented by the statues. Other items of interest were the colossal rose granite pharaohs of the Middle and New Kingdoms and the interesting tracings of the third great pyramid. An oddity was the loaf of bread preserved since 1900 B.C., which was triangular in shape.

For lunch in the museum's dining room, the group had pictures taken in the Greek and Roman gallery with special permission granted by Miss H. Palmer in the name of the Classical Research Staff, of which she is a member.

FRITZ McBRNIES CITES Threat Of Atheism At Kent Breakfast

"Atheism may strike the death blow to Christianity," said the Rev. Thomas H. McBrine, O.F.P., assistant chancellor of the diocese of Boston, at the third annual Kent County Club Comminnication Breakfast held in East Greenwich, R.I., last week. While the affair was held before a slender Mass at Our Lady of Mercy Church, East Greenwich, were the Rev. Joseph D. Daniszewski, O.F.P., assistant, the Rev. Norman Metz, O.F.P., of Our Lady of Mercy Church, who celebrated the Mass, and thirty club members.

Swelled at the head table, besides Father McBrine, were Edward Wilson, club vice-president, who was chairman-and toastingmaster, and Victor Ellison, president.

Father McBrine said that atheism was "another word used for any religion that is not related to the living God" and that God was given one hour on Sunday, has been "ruthlessly" struck. The death blow appeared to come from the way that men today were living, he added.

"St. Paul to Satan, atheism, communism, a false philosophy of education, " said Father McBrine, "are all forms of atheism. Many of the problems the Church must today confront are Greeks, who say, "thruet to overcome the whole of Europe. Yet if Communism were defeated tomorrow, we would still be the same without the world of education in the United States in which we live today."

Only a superficial opposition, in Father McBrine’s opinion, could be victorious over forces of evil which cannot be explained without considering the supernatural, Father McBrine concluded.

Student Government’s committee was comprised of Joseph Andrews, Leonard Gilbany, Fergán B. Haggart, Benjamin A. Conley, and Robert Poincet was in charge of publicity.

Chairman Announces Menu For Commencement Ball

Tickets for the Commencement Ball went on sale Monday in the rotunda Coating $10,000, they may be bought on the installment plan, with payments of one dollar a week. The committee of 1100 members said that the tickets must be fully paid for before the Ball is held, and every ticket has a menu for the dinner, which will be as follows: fresh fruit cocktail, chicken with cornbread and beans, pork and beans, cream of mornette, assorted cakes and cream puffs, and coffee.

Museum Of Fine Arts, Stained Glass Works Seen By Art Class

One of the most valued pieces of art seen by the students was the gold bowl used in ceremonies at the Olympia Games of the seventh century B.C. This bowl is so highly valued that it is lowered into and locked in its case by an attendant each night.

Miss Crawford took the group into the Cambodian Chapel after lunch. In her eleven century construction she explained the significance of the various murals and paintings on the walls. She then answered and explained many paintings, among which were The Crucifixion by Duven, a copy by St. Thomas Aquinas, a Madonnas by Fra Angelico, St. Catharine of Alexandria by Titian; St. Luke Painting the Virgin Gog by Roger van der Weyden; Fray Felix by Greco, and Balducci’s by Benozzo the, French Impressionism.

When the tour ended the entire group visited at Crawford probably and then visited Mr. O’Gorman’s stained glass works, where they saw from beginning to end the process engaged in manufacturing stained glass win-

dows for churches.

Newport Club To Hold Freshman Party Tonight

The Newport Club will hold its Freshman Party tonight at 8:30 at Walsh’s Restaurant in Providence. Preceding the party a meeting will be held in the Ballroom of Harkins Hall at 7:30, in order to decide the site of the annual Spring Dance, it was announced by Walter McIlhaghe, club president. He also announced that Henry James has been made chairman of the dance committee. Assistance committee will be comprised of Daniel D. Sea, Edward J. Callahan, Aurill Coen, David Raymond Keough, John M. Curran, Robert J. Ryan, Alexander O’Hanley, John J. Kieran, George P. Lavelle, Jack J. Kirk, John J. Tartaglione, and Kenneth Kerr.

William Sullivan, treasurer of the club, announced that the club will pay out the new dies payment cards at the meeting.

Dan Sullivan, popular bookstore entrepreneur, has turned magazine writer. An article on bookstore advertising written by Dan was published in the spring issue of The College Store, a trade publication of the National Association of College Stores. The Association is made up of bookstore managers from over 800 colleges.

To Present Trophies At Track Club Commencement Breakfast

Plans have been completed for the Spike Shoe Club’s first annual Commemorative Breakfast, which will be held on March 6th. The Very Rev. Rev. J. Slaving, O.F.P., S.F.M., president of PC, will say Mass at 9 a.m. in Aquinas Hall. Breakfast will follow at 10:30 in the Florentine Room of the Crowell Hotel.

Following the main address, individual trophies will be presented to the outstanding performers of the cross-country, indoor track, and outdoor track teams. Other trophies will be the Rev. Aloysius B. Begley, O.F.P., athletic director, the Rev. Herman D. Schaefer, O.P., assistant athletic director, and Harry Coutis, track coach.

All trackmen and followers of track will be invited to be present at the event.

Coach Martin Calls Out Baseball Enthusiasts, Practice Begins Monday

By Phil Griffin
While the wearers of the Green are doing so to St. Patrick’s Day festivities, the baseball hopefuls of Providence College will do honor to Aheer Doubleday out on Hendrickfield in Coach Martin’s first of the four sessions of the impending season. Prior to the open air session Mr. Martin will hold a meeting for all candidates in room 300 tomorrow at 1:30. That Friday, March 13, from 300, Rackham Hall for anyone who wants to try out for the Friar baseball team.

Opening day for the Black and White will be April 24 when they meet a strong Bates club. The Bobcats boast an outstanding hurler in big Larry Quinby, who was also the manager of their basketball team. This strong Maine outfit will be the first of a long line of rugged combat that the Friars will face before the 52 season is history. The list includes Seton Hall, Springfield, Brown, Holy Cross, R.U.C., A.I.C., University of Connecticut and the best four or five of New England ball teams.

Mr. Martin is looking upon this rough slate somewhat optimistically. He figures, rightly so, that a steady diet of strong competition will make his boys the braves played yesterday. He feels that there should be a marked improvement over last year’s performance and that his team will be a factor in the 1952 league. The 1952 league is considered to be the toughest in the country.

Quintet Wins First Victory In 4 Years Ending Bears Jinx

“I’m very happy. The boys played a great game.” Thus Mr. Vin Cuddy summed up Saturday night’s meeting between Brown, which Providence College College, 9-4. It was the first Friar win over the Bears in four years and the score they ran up was the highest in the history of Brown-PCP games.

Vin got all his seniors into the act against the Bears, playing their bodies in the last few minutes, and their performance was strictly to their credit. Jim Schillm, Jerry Lembo, Ray Korbustich, Ronnie Gannon, and Tom Basei all got numbers after their names were on the box score. Gannon’s seven points in the last couple of minutes being the most spectacular contribution.

Schillm retired via the foul route late in the game while the fast paced tempo was going. The Friars scored 14 points of basketball with a standing ovation. Before he committed his 70th personal foul, Jim had run up 19 points with his phenomenal pivot shot, and 20 minutes 45 seconds the plaudits of the fans. The other starting senior, Ray Korbultich, didn’t have one of his higher scoring nights, but he took only a few shots and he made the important ones count. Ray, as usual, was playing his custom in past games, ran all the way and was valuable as a play maker.

Lembo played as well as we ever have seen him. The little man was a regular Jesse James, stifling the Brownie’s fast break on several occasions with his well-timed dashes of the all important jayvee team. Tommy with one of his patented one-handers, while Ronnie continued to have the advantage of his bench. Tom has been his custom in past games, ran all the way and was valuable as a play maker.

auer and Gannon also found the scoring touch. Tommy with one of his patented one-handers, while Ronnie continued to have the advantage of his bench. Tom has been his custom in past games, ran all the way and was valuable as a play maker.

Friar Wins First Victory In 4 Years Ending Bears Jinx

“Backyard” Daglies sports with boxing coach Pete Lebunn in preparation for the bouts to be held on Friday night, April 3, with the proceeds to go to the Monogram Club.

Smoker Set For Fri., April 4; Tentative Program Of 8 Bouts

By Martin Sandler
Harkins Hall Auditorium will be the scene of the Annual College Boxing Bouts which will be held on Friday evening, April 3, it was announced the other evening by Pete Louhia, coach of boxing. This year, as in the past, the bouts will be sponsored by the Monogram Club. The tickets will be 25 cents apiece. Proceeds going to the Monogram Club for varsity sweaters and other expenses. There will be about eight bouts and the program will start at 8:00 p.m.

Each bout will be divided into rounds with each round being two minutes long. The pairings for the bouts will be announced later.

The fighters have been training for the past few weeks and should be in top shape by the time the "smoker" arrives. Among the fighters in training are several former champion.

J.V. Finish Season With 10-10 Record

By Martin Sandler
Despite a long score effort, the Providence College Junior Varsity closed its 1952 season with its 10-10 season.

Bill Quinn (20), Jack Keating (18) and Ed Ryder (10) kept the Friars close on the Cuba’s heels right down to the final gun.

Thus Hal Martin’s boys wound up the season with a very respectable 10-10 and 10 record. Considering the rapid improvement the club made during the final games, the season was very encouraging. It must be remembered that the primary aim of the Jayvee squad is not to compile a good record but to prepare the players for varsity competition.

Bill Quinn, Ed Ryder, and Charlie Aquaviva were the big scorers for the year, but they were aided greatly by Jack Keating, Bob O’Connell, and Roy Gordon who turned in many strong performances.

PLANS TOURNAMENT

The Director of Intramural Sports, Lawrence J. Drew, has announced that the single table-tennis tournament will be started on March 17. Anyone wishing to participate in the tournament must enroll at the Athletic Office on March 10th.

Drew also announced that a free-throw basketball contest will be held this year starting on March 17 and continuing throughout the week. Contests may either enter at 11:00 or 12:30. Anyone who wishes may enter this event.

Schillm Gets Honorable Mention In Collier’s Poll

Jim Schillm received added laurels when he was chosen for honorable mention on Collier’s District One All-Star squad. Along with the Collier’s award was held in a poll conducted by Baxter Beeby of Holy Cross as one of the ten New England ballplayers in Catholic College. As expected, eight of the ten players were from Holy Cross and Boston College.

Thus for the total of the year is now 322 points with the National Catholic Tourney still to be included. His total for three years of varsity ball has now reached a P.C. all-time high of 1008 tally.

Hold ‘Em High

The last outing for the Friars was against Army up at the “Point” when they turned in a fine effort although they were beaten by the Cadets in the产值 of a 6-4 count. If the Friars display the type of ball that they played against Army they should make it “rough” for Dunne’s.

Father Schneider has reiterated time and again that one of the greatest assets that the hockey squad possess is the fact that the team doesn’t give up. How rough the going gets the team never gives up. This was well displayed against Army when the Friars met a vastly superior team but played them even for almost the entire time. In fact the Friars led in the contest until the final gun, and its loss will not be a larger loss (the largest in the country) and the long periods that took place will benefit the team more than anything that may take place against the Army next.

And with an indescribable spirit the Friars possess an abundance of fine material. In Howie McGinnis they have one of the best goals in this section. To back up Howie are such stalwarts as the McAker brothers, Army, Patrice, Wimpey, Dupree, Riley and the rest. With one of the best and smartest “backs” in the world, the Friars should be ready for bigger things next year.

With the hockey team also boasts of two of the top scorers in the Ama-

ROTC Notes

Railroad Club Started
The first meeting for railroad cadets interested in model railroads was held in room 226 of Harkins Hall. Approximately ten prospective members, with a few more who gave their names but were unable to attend, thus, all present were officially chartered members.
The overall plan of this new club will be to provide Transportation Corps Cadets with railroad information and hours of pleasure in operating and demonstrating their own scale-model railroad.

Paul Boivin was appointed temporary chairman, and William Broderick, Martin Crowley, and Richard Sheridan, were charged to draft the organization’s constitution. A meeting will be held Thursday, March 15, to ratify this constitution prior to its submission to the Student Congress. The club’s officers will be elected some time in April.

A limited amount of memberships are still available to those technically inclined. Further information will be given once the officers have been elected. In the meantime, all interested are instructed to watch the Harkins Hall bulletin board for “open” information.

Seniors Offered OCI Information
Non-veteran seniors who have not been accepted for graduate attendance this year, are invited to call at the athletic office for information. All athletic fields which have been designated as critical, are inevitably subject to receive a letter of “Greetings from the President,” compliments of the local draft board.

Several members of the senior class here at Providence College have recently sought information pertaining to the Officer Cadet Program. Colonel Roy R. Musi, TC, Professor of Military Sciences and Tactics, will be glad to discuss the Army OCS, Marine Corps OCC, or the Air Force Aviation Cadet program for navigators, aircraft observers and pilots, with seniors interested in obtaining a commission, at the Military Science office, Room 200, Albertus Magnus Hall.

Seniors are reminded to note that their parents need not be a recruiting service nor shall the department attempt to offer the student advice. This is strictly information.

Committee Named
The Providence College ROTC will hold its Military Ball in the Sheraton-Biltmore Hotel on May 21. The chairman of the various committees were appointed last week. They are: Ticket committee, R. C. Fontaine; decoration committee, J. R. Harvill; entertainment committee, J. N. Hunter; reception committee, W. B. Boudinot; decoration committee, P. E. Burke.

The entertainment committee will receive upon an orchestra in a few weeks.

Life is not so short but that there is always time enough for courtesy.
—Emerson.

Tournament . . .

(Continued from Page 11)
Blissow has each team 300 to over 300 points for the season.
If the Friars happen to draw teams they will be in for a rough battle but coach Cuddy believes that the Friars will make it rough for any team face if they play the kind of ball that they showed on Saturday. Cuddy feels the Brown encounter was the finest game the squad has played this year.
St. Francis of Brooklyn, one of the N. Y. powerhouses, has defeated such teams as Fordham, Manhattan, Loyola, CCNY and Connecticut. Marquette, a team that is new to NIT competition, has ventured over Rowing Green, St. Joe’s and Michigan and has played many of the top teams in the West. Marquette has lost to Bradley twice but both games were close decisions.

Mr. Thomas also announced that there will be no consolation games; if a team loses they are eliminated from the tourney. The final game of the tournament will be played on Sunday, March 22.

Veritas Is Progressing
The Veritas office announced this week that progress on the yearbook is advancing rapidly. The layout is nearly completed. The senior section is fully completed and is now on the back of the printing. The illustrations section is still being developed and as soon as the basketball season is over the sports section will be finished. The office announced, however, that Patrons are still needed, who topped Warwick by the slim score of 29 to 24. Frank Torney, who returned from a short layoff, scored ten for the Providence quintet. The game was marked by some excellent refereeing on the part of Ed Shugrue and Ben Farrell.

Although this was the playoff game the title did not rightfully belong to the Providence Club until they beat the Lions on Monday. This contest was necessary to finish out the schedule for the league.

Providence took this game in their stride and knocked off the Lions with a 55 to 29 win. Again Torney led the men from Providence. Quick with 14 points was high man for the Lions. The Lions were also topped this week by Warwick who had an easy time scoring 41 points against the 43 which the Lions reflected.

Greater and Wayne are now up for 20 points and led the Providence. Charlton was top man for the Lions with thirteen points. Another exceptional contest in this past week of first-class intramural competition was held on Thursday when the Whalers and Scarlet Chemistry teams battled in an overtime game which Whalers won with a great victory with the slim lead of 34 to 31.

Death Of Fr. Level Is Mourned At P. C.  

The Rev. Ferdinand G. Level, O.P., member of the romance language department here for twenty years, died Saturday in New Haven, where he had served as chaplain at Albertus Magnus College since 1936. "Pere," as he was affectionately known on both campuses, was born in France in 1929. Ordained a Dominican in 1962, he spent the next fourteen years at the college of Bologne-De-Lamarse. Because of his French citizenship he was called back to France upon the outbreak of World War I and served in the trenches for four years. In recognition of this service he was made a chevalier of the French Legion of Honor in impressive ceremonies at Providence in 1937. A quote from the Albertus Magnus newspaper "The Silver Horn," asking prayers for his recovery reveals the affection with which he was held on that campus as well as on the P.C. campus.

Cover photography was by Donald Staub, COWL Photography Manager. Other photography work was done by Allen Keene, also of the COWL photo staff.

An additional 6,000 copies are to be reprinted for mailing to all Providence College alumni, it was announced by Paul Connolly, executive secretary of the Alumni Office. In addition, copies were sent to all editors of Catholic college newspapers; the bishops of New England, and national Catholic magazines.

True friendship is a plant of slow growth and must undergo and withstand the shocks of adversity before it is entitled to the appellation of . . . Washington.

Poetry is the Devil's wine. —St. Augustine.
