## YOU CAN STILL GET INVOLVED!

### Student Congress Appointed Positions

by Melissa L. Silva  
Executive Secretary Elect

Election time will soon be over, but that doesn't mean that all opportunities to be on Student Congress have vanished. Each year, certain positions on Congress are appointed by the Executive Board. For those of you who are unfamiliar with what Student Congress is all about, it is the representative body of all of the students at Providence College. The Congress deals with many complex issues that arise during the year and represent the student body's views on these issues to the faculty and administration. The organization is also responsible for running all elections and for allocating the Student Activity Fund to all clubs on campus. Student Congress can provide you with valuable leadership and managerial skills.

Although all executive positions have been elected and all class officers will be elected this week, there are still positions that need to be appointed. These positions are the Parliamentarian, Committee on Administration (COA) represen-

tative, Public Relations (one chairperson, two assistants), and two Student Lobbyists. If you are interested in applying for one of these positions, there will be a mandatory informational meeting on Friday, April 30th at 3:30 p.m. in Slavin 217. During this time, the students who currently hold these positions will tell you more about their duties and will answer any questions that you may have. Interviews will be held on Monday, May 3rd and sign-ups will be in the Student Congress office, Slavin 109. We encourage everyone to try out for these positions. Don't let this great opportunity pass you by!

**PARLIAMENTARIAN** Serves as the Chief Justice of Student Congress and as the Chairperson of the Committee on Legislative Affairs. They should be well versed in parliamentary procedure and should have a knowledge of the legislative process. They will be drafting legislation concerning student issues.

**COA REPRESENTATIVE** Represents the views of the students to the Committee on Administration. They will attend all COA meetings and will report to Student Congress all

information he/she feels affects the student body from these meetings.

**PUBLIC RELATIONS** Responsible for publicizing events that pertain to or are sponsored by Student Congress. They will act as a liaison between Student Congress and *The Cowl* and will be responsible for publicizing all Congress events on pages designated by *The Cowl* for Student Congress news. They will also be in charge of writing and publishing the *Peaceful Coexistence* newsletter.

**LOBBYISTS** Represents the PC student opinion as a lobbyist in the Rhode Island State Legislature and on campus. They will attend pertinent RI State Legislature and Committee meetings and will be well versed in the guide to the lobbying laws and Chapter 22-10 of the General Laws. They will inform Student Congress of important issues, thereby forming an affirmative plan to institute on issues affecting students. They will also attend all Faculty Senate meetings. One lobbyist will be the Chairperson of the Academic Affairs Committee and the other will be the Chairperson of the Bill of Rights Committee.

## Veritas Staff Openings

by Jennifer MacCallum  
Veritas Editor-in-Chief

The 1993 edition of the *Veritas* yearbook is well under production. The yearbook staff has been working hard on this year's book, which promises to be one of the best yearbooks in recent PC history. Without any unforeseen problems, seniors should be receiving their yearbook in the mail sometime in October.

I would like to congratulate Krista Ostertag '94, the 1993-94 *Veritas* Editor-in-Chief. Krista, along with Jen Mikus '94, Managing Editor, and Sue Lobmeyer '94, Photography Editor, will be interviewing students for next year's staff. Applications are now being accepted for next year. Interested students should come to the yearbook office to pick up an application. Involvement on the yearbook is a great experience for anyone interested in a publications/communications career. Any student who is a member of the Class of '94, '95, and '96 is eligible to become a staff member. I urge any interested student to become involved with *Veritas* - it's a lot of fun and a great experience. There will be an informational meeting about *Veritas* on Wednesday, April 28th at 6:30 p.m.

Finally, I would like to thank the 1992-93 *Veritas* staff for all of their hard work. Everyone did a great job and it was really fun working with all of you.
