

1994 SPECIAL ELECTION ISSUE

IT'S TIME TO VOTE!

by Mary Malone '95
Executive Board Vice
President

Hello everyone and welcome back to Providence College for the year 1994-1995. I hope you are all having a great semester so far and I encourage all of you to get involved here at PC. Whether it be in Student Congress, Theatre Arts, Rugby, or the Enviromental Club (for example), it is a great way to make friends and to define yourself and your interests.

I would like to take this opportunity to announce that this Thursday, September 29, Student Congress is holding elections for both the Class of 1998 and for

Representatives to Residence Board. Elections will be held from 10-4 in Lower Slavin.

If you are a Freshman or new to Providence Colege and you do not quite understand what Student Congress does, let me explain. If you are in the class of 1998, on Thursday you will be voting for nine officers; a president, vice-president, secretary, treasurer, and five representatives. These nine officers will come together to form your class congress. Together, they will run events and raise money for the class. They will also be responsible for addressing issues that are of concern to the members of their class before the whole Student

Congress. As members of Student Congress some of their other responsibilities will include, overseeing the clubs and organizations on campus, acting as representatives of Providence College to the community, and acting as liasons between the students and the administration. The Residence Board exists as an arm of Student Congress. Representatives elected to the Residence Board will be responsible for arranging activities for their dorms or apartments, like Blind Date Balls. They will also meet together to discuss issues related to on-campus living.

None of these responsibilities should be taken

lightly. Therefore, I am asking everyone who lives on campus to get out there and vote! Candidates are working hard to make themselves known to you and to convince you that they can get the job done. But it is up to you to make the final decision. Only your vote can get the right person in office. It takes just two minutes to vote. Just hand your PC ID to the Student Congress Representative, receive you ballot, mark the candidates that you want, return the ballot, and you are done! It is quick and easy and your responsibility as a member of the Providence College community to vote.
