CLASS OF 1999

It is Election time again, and this year there was a tremendous turnout! There are more people running for office this year than there have been in the recent past. Sixty eight people have said they hope to serve their community to the best of their abilities. While some of them are opposed and others are not, just the fact they are nominated shows that they care about improving their class or residence hall.

It is important to remember that elections are not popularity contests. Take the time to

get to know the candidates. Ask them their opinion on issues. Find out what they are like, and then make your own decision on who you feel will best represent present your concerns to the Student Congress and Resident Hall Association.

It actually does not take a lot of time. Stop by the table in lower Slavin on Thursday and fill out a ballot. Your name will be checked off, and you're done! It is the main way to get directly involved with the decisions made that concern you as a PC student!

TOP TEN REASONS TO VOTE IN THIS YEAR'S FRESHMAN CLASS ELECTIONS

10) Don't make the apathy on this campus worse than it already is.

9) If you don't vote, you can't complain when nothing is done and CIV is still, unfortunately required next year.

8) Your vote may not count, but the Montreal Expo's season has never really counted, and that's never stopped them from playing.

7) The first 50 voters get their packages delivered to their door, not Colonel's Corner.

6) Much like being struck by lightning several times in the head, voting can be really fun.

5) Come on, even O.J.'s jury can make up their minds!

4) If you are nice to the Congress people, maybe they'll let you use their

cool markers.

3) Just like skipping CIV, getting drunk on St. Patrick's Day, and getting ripped off by the bookstore, voting is a PC tradition.

2) The administration has whole-heartedly agreed to reward each voter with a 12-pack.

1) All the on-campus voters eat free in Raymond for a week.
